THE JONES LOCKED WIRE FENCE
STOCK PROOF LOCK

The words of praise spoken of the merits of The Locked Wire Fence from the people that examined our exhibit at the leading fairs, also the testimonials that we have received from farmers and others that have the fence erected on their lots and farms, are very flattering indeed. And now, as the leading fairs are over, we are prepared to fill all orders that may be given us satisfactorily for lawn, farm and railroad fence. Our superior wire gates, which combine strength, lightness and durability, should be every farm. Prices to suit the times. Agents wanted in unoccupied territory. Correspondence solicited.

It Suits the Farmers!

WHEN the Page Fence man went to England last summer to attend the International Railway Congress, he carried a score of splendid testimonials from the leading lines of railway in Canada and the United States. We are not allowed to publish these, but nearly all of them mentioned, among other reasons why they use the Page, that "it suits the adjoining farmers." These testimonials were so convincing that several English railways have since ordered car lots of the Page. It will pay you to investigate the Page fully this winter. Ask us to send you our free circulars and illustrated paper.
