HALLOCK'S Success Anti-Clog WEEDER and Cultivator

THE BEST CULTIVATOR IN THE WORLD—SO DECLARED BY FARMERS WHO HAVE TESTED IT.

Read What a Few of Them Say.

Glencoe, Ont., Canada.
The Weeder arrived all right. Little too late to make sales this season, but I have tested it thoroughly, and all who have tried it are well satisfied with its work. J. Y. YORKE.

New Dundee, Ont., Canada.
The Weeders sold have given good satisfaction. Prospects are very good to sell a large number here next winter and spring. Please let me know the best you can do on an order of fifty.
H. S. CRESSMAN.

Abercorn, Quebec, Canada.
I received the Weeder the 10th, and ought to have written you sooner, but wanted to try it. I have now given it a good trial. It is the finest thing I ever saw for the work required of it. Too late to sell many this season. I am convinced that it is the finest Cultivator ever put in the field. I never saw potatoes grow as fast in my life as mine did after running the Weeder through them twice. If your Digger is as good as your Weeder it is a dandy. Please give me terms on Digger.
A. H. INGALLS.

We have received thousands just like these. Write for sheets of them. Can you afford to farm this year without this wonderful Cultivator? We do not quite give away the first one in a place, but do make a big reduction for introduction, because big trade always follows.

Cheese Butter

Makers of these articles, in many instances, do not pay the necessary attention to the quality of the salt they use. Some people think that "Salt is Salt," and it does not matter where it comes from or who makes it. This is a great mistake, for it is essential that to produce the best Butter or Cheese nothing but the purest salt should be used. The number of prizes obtained by users of Coleman's or Rice's Dairy Salt at the various exhibitions is conclusive proof that these brands of salt stand unrivalled.
