## The Angle Lamp

and the improvement will surpass belief. "Under shadow" is a great feature. But for the quality of its light it is unsurpassed. It is a great electricity in city and country homes. Its light has all of their power with none of their glare and steadiness—soft, mellow, eye-pleasing and absolutely none of the smoking and offensive odors of ordinary lamps, either. There is nothing like it for convenience. It lights a 16-candle lamp for 16 to 24 hours, costing about 18 cents a month for oil. Compare that with the monthly gas and electric bill, or even the cost of that troublesome, smoky, smelly lamp you are using. For quality, of the light, economy and satisfaction for all lighting purposes, there can be no comparison. It is the cheapest and the best kind of illumination.
