Solicitor for the "Farmer's Advocate" for the Northwest Territories.

The Weekly Free Press, Winnipeg, is the oldest established and the leading weekly of Western Canada. It presents the world's news to Western readers almost one week in advance of Eastern Canadian weeklies, and the reader of the Weekly Free Press can rely upon getting all the news.

The Weekly Free Press possesses attractive special features which are not to be found in any other Western Canadian weekly. For example, the subscriber to The Weekly Free Press can apply through the "Legal Enquiry Department," free of charge, for information concerning all questions of law, and the information is not only promptly given, but it comes as an opinion from the highest legal talent.

If a reader of the Weekly Free Press requires advice on the subject of his cattle, his horses or live stock of any kind, it is not necessary to consult or pay a Veterinary Surgeon. The Free Press retains the services of a fully-qualified Veterinary Surgeon for the purpose of replying, free of charge, to enquiries from its subscribers.

Foster's weather forecasts appear regularly and exclusively in the Free Press, and many readers of the Free Press have acknowledged that this feature alone is worth the subscription price of the paper.

The Weekly Free Press is a paper which ought to be found in every farmhouse in Western Canada.
