H. A. TAYLOR, Agent. THE SINGER SEWING MACHINE. FIRST PREMIUM .- By reference to the lie which we publish elsewhere, it will be seen that the Singer Sewing Michines (both family and manufacturing) carry off the first premiums from the State Fair which closes to-day. It is worthy of remark that these machines are rarely seen at fairs and the Singer Co. have not entered into the general scramble for premiums which has characterized the past few years. The agent in this city saw fit, however, to come out on this occasion, in force; and notwithstanding the competition was sharp—the Wheeler & Wilson Grover & Baker, &c., &c., joining in the contest —it was plain to be seen, when the practical tests were applied that the "plumes" must be nanded over to the Singer machines .- Utica Daily Observer, Sept. 15.
