

HIS FACE AND NECK WERE COVERED WITH PIMPLES

Pimples are caused by bad blood. There is only one way to get rid of them, outward applications are no good, and that is to get at the seat of the trouble, by using a good reliable blood medicine.

Burdock Blood Bitters has been on the market for over 30 years, and is one of the most reliable blood cleansers procurable. It removes all the poisonous matter from the blood, and leaves a beautiful clear complexion.

Mr. Philip S. Cobb, Crapaud, P.E.I., writes: "About a year ago my neck and face were entirely covered with pimples, and having tried nearly every medicine I could think of, and getting no relief, I at last thought of Burdock Blood Bitters and decided to try a bottle.

"After the first bottle was done the pimples were almost gone, so I got another and after finishing it they entirely disappeared, and I now have a beautiful clear complexion free from all ailments of the skin. To all persons troubled with pimples or any other skin diseases I highly recommend Burdock Blood Bitters. I feel quite sure it will cure them."

roost and open front without hooded roost. Each pen is 15 feet square, and doors and inside fixtures are exactly the same in each.

The following conclusions are a summary of the data obtained from the work with the first generation. The experiment is in progress at the present time, and will be continued for several generations.

(1) That the cost of tight double-walled construction is greater than that of any other type. In the experiment here discussed it was found that the fertility and hatching quality of eggs were very much better in fresh-air houses of less expensive construction.

(2) So far as the present data indicates, the general health of the adult fowls was not seriously impaired by environment conditions.

(3) The amount of food eaten by the fowls does not appear to be influenced by housing conditions.

(4) The present data indicates that egg production is largely influenced by the action of individual hens, rather than by environment conditions. This, of course, applies to the first generation. It may be found that future generations will show a more definite variation in favor of the fresh-air houses, or vice-versa.

(5) That the fertility and hatch ability of eggs is much better in the open and cloth-front houses, where the fowls are allowed free access to yards or range. This is more noticeable in the second year of the first generation, and additional data not included in this paper shows a wide variation in favor of these conditions.

(6) That the progeny of fowls in fresh-air houses, having free access to yards or range, are more resistant to disease than those of the fowls which are maintained in houses of other construction, and not having the liberty of the yards during the breeding season.

IT IS FAR BETTER TO BE

An Old Man Who Feels Young THAN A Young Man Who Feels Old

HERE IS AN OLD YOUNG MAN

HERE ARE THE BOOKS THAT GIVE THE SECRET OF PERPETUAL YOUTH LET ME SEND THEM TO YOU FREE

HERE IS A YOUNG OLD MAN

Years count for nothing if you have the vitality. You can feel young all your life where there is ample nerve force to back your courage. Let me make you a "HEALTH BELT MAN." Let me supply you with that vim, vigor and manly strength which conquers all obstacles. A man at 60 should be in the prime of life; early decline unfits you for the world's work. I have talked with more than 100,000 debilitated men; the lack of vital vigor is responsible for most failures; you can't command the attention and admiration of women or even men if you lack personal vitality. My HEALTH BELT fills you full of vital force; it strengthens weakened parts; it gives you courage to meet squarely any eyes which may look into yours. You become as attractive in your personal influence as the strongest, most full-blooded man you know. Thousands upon thousands have been cured by

my HEALTH BELT. Worn nights for two or three months, it sends the continuous tonic current of electricity into your system all the time you are sleeping. No privations, no medicines, no restrictions, excepting that all dissipation must cease. Cures weak back in one night; benefits from first hour. It has special attachments which carry the current to the weakened parts. Used by both sexes for rheumatism, kidney, liver, stomach, bladder disorders, etc. C. Simpson, Pilot Mound, Man., writes: "Your Health Belt restored me to health and strength. Use my name as you see fit." If in or near this city, call and try the Belt in my office, otherwise send for the free book, which explains all and tells you how, for a few dollars, my Health Belt will give you back your manhood. No charge for advice at office or by mail. Use the coupon if more convenient.

FREE UNTIL CURED

Call or write me and I will at once arrange to let you have the Belt on trial, not to be paid for until cured. No deposit or advance payment. Send it back if it doesn't do the work. Liberal discount for cash if you prefer to deal that way.
