THOMAS ANDERSON,

THE CASE IS CLOSED

The Police Inquiry Will be Concluded on Wednesday.

put in-Ar. Walker's Evidence Concern- not think he was a competent man. ing Mah Hung-Internal Troubles of the

all yesterday morning at 10 o'clock, and

asked him about the police troubles.

Mah Hung said that he was the man Mah Hung said that he had made an got him into his place and made him

the having received money from the Chinawas talked of He heard about Mitchan, and he at once called in Mitchell tho told him the story already detailed. he then called in the Chinaman, who aid Mitchell's story was true; that he offered Mitchell the \$45 and that itchell had refused it and sent him to Mah Hung said he had never id Mitchell any money, and that he chief) within an hour had reported I the facts to the mayor and the other

Walker's office, when the Celestial adted that he had not paid Mitchell any ey, but that he was forced to make statement he had done before the agistrate by the Carpenters' union, who witness contradicted Lam's story almost every detail. Lam was not turned the cash over to the city clerk. ent, the chief said, when he went into In May last some of the payments made, Ink said Lam was in bed at the time.

The amounts received were all entered up in the proper book.

Every dollar so received was turned in the never met Lam at any time at the but to the city clerk. He could not say in how many instances he had personally.

sioners. The chief detailed the ac-

t of his meeting with Mah Hung in

instructions of the commissioners of card-playing had always been out. The Chinamen had been that the chief's evidence concluded the twice. In each instance he had defence. nayor's order for the raid. The police strate did not favor the Chinamen be-

The chief said he had known Mitchell we 1883. He had never known him by other name. Mitchell had been honacquitted of the charge made him in Calgary, and referred to sly in this investigation. He had ways found Mitchell a good and compeain what was going on in Chinatown. hell's services were valuable to the Barr had complained about Mitpulling Morrison and Leaky, and them left alone. The man in quesd been subsequently pulled and The chief said he had discussed vment alleged to have been made police magistrate, and they had

ments of commission by Dr. Reddick was resting some women on the street who then taken up. The chief said the doctor got his money in full, and later had handed him a gratuity. The doctor had been called in since the man from Galway would be sustained if he had arrested them and that was why he did not do said Dr. Reddick had paid him the money of his own free will without being asked to do it. He had collected fees for other doctors in the same way and had not been

To Mr. MacNeill, on crossexamination, Force-Argument Fixed for October 4th. the chief said he classed Beamish as the tool of Harry-Bell and Barr, who were What proved to be the final sitting of tion. Counsel produced the regulations adwhat proved to be the linar string of the police investigation opened at the city the police investigation opened at the city chief. The chief's knowledge of Mitchell's to the criminal class in that city.

department should set his men an example of "vigilance, sobriety and morality."

Regarding the complaint of Alderman
Hooson, the chief finally said that he
would only take an order from the alderaffidavit that he had paid money to Mit-chell. Witness asked Mah Hung if he as not afraid of getting mixed up in the With reference to the regulations regardfair and Mah Hung said that Barr had ing gambling and the reporting of houses of ill fame, etc., the chief said he followed sign the paper charging Mitchell with the instructions of the commissioners for taking the \$45. The Chinaman added the year as given him from time to fime. that three other men had come to him afterwards and said that they represent-fusing to obey orders in May, 1898, was ed 1,500 men and he agreed to do what the only case in which he had reported an about this time he saw the chief passing joined in recommending Mitchell's applied for excited and asked Mah Hung is he had not denied to him paying any money to Mitchell. That he had offered Mitchell \$45, but that Mitchell had privated to accept it and had told him to good men and competent officer. The witness said he demanded an investigation by the police commissioners. He told the mayor of the matter. Mitchell applied for two months' leave to go and work on refused to accept it and had told him to go design. This was in the month of May. wanted. Mr. Walker continued that officer of the force to the board. He had p to the police court or the Mayor about and leave was refused. The understand-Mah Hung admitted having told ing with each succeeding mayor was that story to the chief, but repeated his things should continue as they were, that is, that poker should be allowed. A diswas going to stick to the other story tinction was made between the profession r the reasons he had given, although knew it was false. The chief took all Hung by the collar and called him serving the better a such many such m sperjured heathen or some such name, and asked him how he dare do such a ling, but Mah Hung merely repeated this reasons and said he had to. The chief admitted taking Mah Hung by the and said ne had to. The chief of not use the Chinaman roughly, but ally caught hold of him and held him by ecollar for a moment.

Chief of Police Ingram was the contract of the statement of the contract of the statement of the contract of is reasons and said he had to. The chief is not use the Chinaman roughly, but was declided to the Chief of Police Ingram was then called as worn. He said he had been chief of object Ingram was then called as worn. He said he had been chief of object Ingram was then called as worn. He said he had been chief of object Ingram was then called as worn. He said he had been chief of object Ingram was then called as worn. He said he had been chief of object Ingram was then called the said he had been chief of object Ingram was then called as worn. He said he had been paid him at any time for a moment.

They had hunted up all the Chinamen in the city in the matter, and later the sound been paid him at any time for a purpose corrupt or finite proper. He had been chief in 180 at handed the then commissioners. Later a 1898 Mayor Wallace wanted the city to the winess calined, was clearly manufact and the word of which is making a fake of the tasting the sewage from the local. He was declided to the cuty of New Westminster during faw time, on the tith the charges against the policy as the trouble in concition with the charges against the policy as the concept had been paid him at any time for a moment.

The delegates seeded at the word may report concerning the said that they would not require more than one would not require more than one word word with the charges and the their operation of the word of which the concept in the city in the matter, and later these two were had been paid him at any time for a purpose and as the area and population to be provided for its increased other that two tanks will be sufficient for this did to two the would not require more than one would not see worn the sea and population. He had the would not require to any length to connect him with the charges made against him personally. The chief added that he considered Bell and Beamish both desperate men, and that he there will be rendered perfectly be rectified in time, and any names that nocuous and there will be no possible to objection to its emptying into Trail objection to its emptying into Trail creek. Indeed, Mr. Wyllie claimed that the considered Bell and objection to its emptying into Trail objecti

> had never on any occasion charged him with cheating at cards. At this stage the court adjourned from

12:45 to 2 o'clock. After the adjournment the cross-examination of the chief was continued. He said that he had received money from the keepers and inmates of houses when they paid fines and had he could not say which ones, were paid btel.

He knew nothing about Mitchell received the fines. To Mr. Macdonald the witness said Le Boeff had been reported to him from Aberdeen as a crook He was arrested in Bell's place, but the

> To the Mayor the chief said he had been warned against the sergeant; that he was doing everything he could to undermine his authority; he had tested the sergeant and had found the statement to be correct. This was in answer to a ques-tion by the Mayor as to the acknowledged coolness between the two officials. The commissioners thought it was only fair that Sergeant McGowan should be heard was recalled.

To the Mayor the sergeant said he could not exactly tell why a coldness had sprung up between the chief and himself. He had been put and kept on night duty for about a year and thought this was a hardship. He knew of no other cause. The evidence of the chief against Mahoney to Sergeant McGowan the sergeant was then read over to the witness, and he said that he had never d there was nothing in it. Personal at any time attempted to undermine the chief said he did not believe the chief; not even when he had the chance an's story, and would not believe her to do some mean work. The difference Toath. The class of women mention between the chief and the witness had ere given to making such charges in affected his work on the force. He was to hurt the officials. The witness simply a nightwatchman. He had not simply a nightwatchman between the commissioners about action of this gentleman in connection the investigation. The chief admitted being kept on night duty, but had spoken to the chief about it. He had known to the chief about it. He had known to the chief in Winnipeg and Calgary. He getting jolly when the Elks were here. Was off duty at the time. He had represent the chief was treating him fer been under the influence of liquor right. He felt that his hands were tied. The on duty, so as to interfere with his ending to his work. The witness said before him and seemed to shun him.

case, when \$10 has been paid, and the them, and that was why he did not do doctor was sent for on another occasion so. He did not know of any corrupt when he could not be found. The chief dealings with the force. He did not think there was anything in the fact of ing provincial appointments: Robert Redthe chief being on duty and day and he on dick, M. D., of Rossland, to be a coroner night duty, so far as affecting the morals of the force. The evidence of Mitchell was read over, in which he stated that

son in the city.

To Mr. MacNeill the witness said he tool of Harry-Bell and Barr, who were the chief movers in the pending investigation. Counsel produced the regulations advised by the chief movers in the pending investigation. Counsel produced the regulations advised by the black list of the Winnier Vancouver, Westminster, Yale, Cariboo knew of Mitchell in the Northwest,
was on the black list of the Winnipeg and Kootenay.

He was looked upon as belonging All placer claims in the southern divis-

consider the matter; but very few persons were present during the day, and there was no such exhibition of feeling as darretrized the first few sittings.

Mr. Frank J. Walker, broker, was the first witness called by the defence. Mr. Walker stated that he was the man, Mah Hung, and on one occasion with the man was in his office he had sked him about the police troubles.

Mr. Brank J. Walker, broker, was the first witness called by the defence. Mr. Walker stated that he was the man on the police complied with the regulations that provide that the head of that the matter said that the man was in his office he had sked him about the police troubles.

Mr. Brank J. Walker, broker, was the first witness called by the defence. Mr. Walker stated that he was the man on the police troubles.

Mr. Hand donaid: He had found nothing against Mitchell while acting in hothing against Mitchell while acting in the troubles. When he should have been on duty, but was not. He had been and was not. He had been and had alked over all yesterday morning at 10 o'clock, and moral character in the Northwest and later in Mr. Macdonald: He had found er in Rossland was then rehigh interest centered in the evidence ferred to. The witness said that his official capacity. Two of the recent
