THIS COMBINATION ALWAYS WINS.

How often we hear of people who have had an aching joint or muscle for years. No more speedy remedy can be adopted than to rub on Nerviline and then apply a Nerviline Porous Plaster. At once the muscles begin to resume their wonted vigor and pain disappear. Nerviline Plasters can be worn by the most delicate child or aged persons. They are invaluable as thousands have proved. Used along with Nerviline they are guaranteed to permanently drive out any muscular ache, pain or stiffness. Try these remedies and judge for yourself. 25¢ at all dealers, or N. C. WANT AD HOROSCOPE

JUNE 25.

A man or woman with this birth date will find most of their trouble in life coming from desire to change their occupation. They are not long satisfied with the same surroundings and have difficulty in becoming discontent and fretfulness.

While this nativity gives many hard things to overcome, yet when these people are educated, cultured and thoroughly awake, they assume most responsible positions at the heads of large organizations and institutions.

This sign gives great pride in personal appearance and surroundings. These people are kind, excellent help in sickness and always respond to suffering in every form. This date points to a favorable outcome of real estate propositions which are advertised in the Want Ads to-day. All that has to do with the earth is harmoniously governed. A Want Ad placed to-day, of seeking new residences, will receive immediate attention.
