**DISTRICT NEWS**

**CHARLESTON**  
The lake is frozen over. W. Crozier  
made his first trip to Charleston on the  
ice Saturday.  
G. Brady and J. Danby are busily  
engaged putting up Mr. Brady's saw  
mill, which will be a great boon to our  
village.  
A great many attended the funeral  
of Mrs. Mathew Leeder on Thursday.  
Mr. Jack and Miss Bertha Flood,  
Trevelyan, spent Sunday evening with  
their sister, Mrs. T. Foster.  
Rev. Father Crowley, Trevelyan,  
was the guest of Mr. and Mrs. T.  
Foster on Sunday evening.  
We are pleased to know that Miss  
Ethel Rabb is to teach our school for  
another year.  
A concert will be held at our school  
house on Thursday afternoon.

**FRANKVILLE**  
A Christmas entertainment will be  
held in the Methodist church on Fri-  
day evening, the 23rd. A good pro-  
gramme is being prepared, consisting  
of drills, tableaux, dialogues, and  
the "Famous Peck Sisters" will be pre-  
sented. All are invited to attend.  
Mrs. M. Rudd has been on the sick  
list the past week, but is some better  
at present.  
Mrs. Dr. Bourne is improving.  
Miss K. Oliver has been unable to  
teach the past few days on account of  
illness.  
Mr. Geo. Oliver has returned home,  
having spent the summer in the  
North-West.  
Mr. C. M. Dunham is home for the  
Christmas holidays.  
Mr. L. Dunham has been purchas-  
ing some new machinery. He is pre-  
pared to do sawing, grinding, and  
making cheese boxes. He expects to  
have an up-to-date mill in every  
respect.

**LANSDOWNE**  
Mr. George McKinley and his  
mother of Berryton visited Mrs. J. H.  
Warren last week.  
Mrs. D. H. Siter and daughter  
were the guests of her sister-in-law,  
Mrs. E. E. Warren, last week.  
The At Home given by L. O. L.,  
No. 26 on the evening of Wednesday,  
the 7th, was a success. The refresh-  
ments were very toothsome indeed,  
and the programme was listened to  
with pleasure.  
Miss Findlay entertained a few of  
her friends to a very choice tea on  
Friday evening last.  
Mr. D. Pelow and family of Ganano-  
que have taken up their residence on  
the Lynch farm for the winter.  
Mrs. McKinley of Berryton is  
spending a few days with her daughter,  
Mrs. Hilliard Warren.  
The Medal Contest held here on  
Nov. 25 was quite a success. The  
medal was won by Blain Cross. The  
Band of Hope class are now preparing  
for another, to be held the latter part  
of January, '05.

**USE THE BRAND**  
The importance of branding cheese  
is clearly set forth in the following  
letter written to the Times by Mr. J.  
H. Whealan of Westport:—  
All honor to the men who a few  
weeks ago signed the draft of the  
amendments to the Brockville Cheese  
Board Regulations. I would like to  
draw further attention to the advan-  
tages of the proposed reforms, speak-  
ing from the farmers' point of view. I take  
it that the farmer is the man really  
most interested in the matter. It is  
his cows which supply the material to  
make the cheese, and he is the man  
who gets up before daybreak to haul  
his milk to the cheese factory. Natu-  
rally he is interested in getting as much  
as he can for his labor.  
The metal brand which is to be used  
as the trade mark of Brockville section  
cheese, I think is one of the best things  
ever given to the farmer for his protec-  
tion. Brockville section dairymen  
have the name in England of making  
a cheese second to none in Canada, and  
we believe equal to the best English  
make. But some dealers are said to  
have been trading upon the good name  
of Brockville section by selling other  
and inferior cheese under the name of  
"Brockville." It is said that for every  
genuine Brockville cheese made there  
are four or five sold as "Brockville."  
Now this is an injustice to the man-  
ufacturer and to the farmer who supplies  
the milk as well. The English dealers  
want "Brockville" cheese as their cus-  
tomers ask for it and it is only right  
that the farmers of Brockville section

should benefit by this preference for  
our cheese. Every manufacturing con-  
cern that makes a special line of goods  
protects it by a trade-mark, and we all  
know how valuable a trade-mark is.  
It means thousands of dollars to the  
men who are lucky enough to own it.  
Now, the farmers of this section are  
nearly all members of co-operative  
manufactories called cheese factories,  
and as they continue to manufacture  
a special article, of especially good  
quality, unprotected by any trade-mark  
and therefore very liable to be imposed  
upon by substitution. Now the rem-  
edy lies in the farmers' hands and it is  
pleasing to know that they have de-  
cided to protect their cheese by adopt-  
ing the metal brand patented which  
leaves its impress upon the head of  
each cheese as it is made in the press.  
Stencilling a brand upon the cheese  
box is no protection, because anyone  
can put a stencil on the box, but the  
metal brand is not only impressed upon  
the head of the cheese but there is also  
a heavy penalty liable to be imposed  
upon anyone who infringes on the  
patent or illegally uses the registered  
brand. There is little chance left for  
fraud when this brand is used.  
Furthermore, this Brockville section  
brand will be advertised widely in  
England so that it will be familiar to  
all the leading dealers and they will  
then be careful to look for the brand  
on each cheese sold as "Brockville."  
It will be a good thing for Brockville  
section farmers in every way, and I  
should like to hear that every dairy  
farmer in this section was helping  
along this good movement as much as  
he can. Go to the factory meetings  
and vote for using the brand. "None  
genuine without the brand," should be  
the motto of the section.  
First-class orchestral music was  
rendered during the evening.

The scenery used was the work of  
students, and it was appropriate and  
very well executed.  
The hall was tastefully decorated.  
Loop-chains of colored tissue paper,  
flags and mottoes gave the room a truly  
gay appearance.  
Principal McIntosh possesses in a  
marked degree the power to develop  
and display the talents of the students  
who for three months are under his  
tuition, and in the presentation of this  
drama as well as in the recent medal  
contest the public had pleasing and  
convincing evidence of his ability along  
this line.

**Unimpeachable**  
If you were to see the unequalled  
volume of unimpeachable testimony in  
favor of Hood's Sarsaparilla, you  
would upbraid yourself for so long  
delaying to take this effective altera-  
tive and tonic medicine for that blood  
disease from which you are suffering.  
It eradicates scrofula and all other  
humors and cures all their inward and  
outward effects.  
Take Hood's.

**Christmas Gift For The Family**  
The cheapest, best, and most ap-  
preciated Christmas gift would be a  
year's subscription to the Family  
Herald and Weekly Star of Montreal.  
It costs but one dollar and the whole  
family would enjoy it. The beautiful  
picture which accompanies the Family  
Herald this season would help to  
brighten the home. We believe the  
publishers intend to make the Family  
Herald and Weekly Star better than  
ever during 1905. We hear this great  
Weekly is more sought after this year  
than ever before.

Look at the date on your address  
label, and if it doesn't read up-to-date  
we will be pleased to change the  
figure.

**Women  
Drink  
Whiskey  
and  
Opium  
In Liquid Patent Medicines**

The Ladies' Home Journal in  
its May (1904) number, speaking  
editorially of women taking the  
largely advertised liquid prepara-  
tions on the market to-day, says:—  
"They pour into their mouths  
and into their stomachs a quan-  
tity of unknown drugs which have  
in them percentages of alcohol,  
cocaine and opium that are abso-  
lutely alarming."  
The Journal gives by name the  
most largely advertised remedies  
for women, and quotes from docu-  
ment No. 34, of the Massa-  
chusetts State Board Analyst to  
show the amount of alcohol in  
each. It appears from documents  
quoted by the Ladies' Home  
Journal, that these preparations  
contain sufficient alcohol to make  
them twice the strength of ordi-  
nary whiskey, and some of them  
contain deadly drugs like mor-  
phine, opium and cocaine.  
The effect of such drugs upon  
the system is given by the Ladies'  
Home Journal in these words:—  
"The alcohol in these prepara-  
tions often causes a sense of tem-  
porary well-being. Opium, as we  
all know, will soothe the pain,  
while cocaine will stimulate and  
excite."  
The issue of the magazine  
"Health" for the same month  
had the following:—  
"In obedience to the whip-  
lash of the drug, the system  
makes a supreme effort, with the  
result that the patient feels slight-  
ly improved. The patient does not  
dream of the scourge she is fur-  
nishing for herself later on, for  
there is nothing in the world more  
certain than that action is fol-  
lowing by reaction. How many  
physical wrecks there are in this  
country due to the use of deadly  
drugs will never be known."  
No woman after reading these  
articles, would likely ever take any  
of the largely-advertised liquid  
preparations again. Being in tab-  
let form, Dr. Hugo's Health Tab-  
lets contain no alcohol, neither do  
they contain one atom of any  
harmful drug.  
The time will come when the  
government will intervene and stop  
the indiscriminate sale of remedies  
containing these harmful drugs.

Dr. Hugo's tablets are a harm-  
less vegetable remedy, which even  
children can take with impunity.  
The results are just as quick as  
those from harmful drugs and you  
avoid the penalty, which all must  
sometimes pay, who take remedies  
containing them.

**Unlike Other Remedies**  
Dr. Hugo's Health Tablets for  
Women are not like the common  
place remedies. One box always  
proves the difference.  
The special ingredients for wo-  
men recently discovered, which  
these tablets alone contain, make  
them a remarkable remedy, com-  
pelling the endorsement of physicians  
and the praise of women.  
Containing as they do every ingre-  
dient a sick, tired, or run down  
woman needs, and embodying the  
skill and experience that come from  
Dr. Hugo's forty years' practice as a  
specialist in diseases of women, they  
are absolutely better than the old  
time preparations now on the  
market.  
With this knowledge we declare  
most positively, that no matter how  
much good other remedies may have  
done you, Dr. Hugo's remedy will do  
you more.  
No matter if other remedies have  
done you no good at all, we still per-  
sist that these tablets will immedi-  
ately start you on the road to health,  
and in the end make you a healthy  
woman.

**A Lawyer's Opinion.**  
Mr. W. L. Shurtieff, LL.B., LL.M.,  
K.C., a lawyer and King's Counsel,  
well-known throughout the province  
of Quebec, being the proprietor of the  
Coaticook Observer, a member of the  
Council of Public Instruction for the  
province and Vice-President of the  
Provincial Organizations of the  
Dominion Alliance, the Lord's Day  
Alliance, the Sunday School Union,  
and the C. E. Union, makes the fol-  
lowing declaration concerning these  
tablets:—  
"I have reason to believe, and do be-  
lieve, that no better remedy for wo-  
men exists to-day than Dr. Hugo's  
Health Tablets for Women. I have  
heard women, who have taken them  
express the great benefit received and  
their gratitude that Dr. Hugo's for-  
mula for women was ever put on the  
market. I have seen letters and testi-  
monials from other women who  
seemed unable to say too much for  
the remedy. I have heard the state-  
ment of physicians who know the  
formula, that medical science knows  
no better ingredients for women than  
are contained in Dr. Hugo's formula.  
I have seen the signed statement to  
the same effect of one of the largest  
and most responsible firms of  
chemists on the continent. I feel,  
therefore, that I have reason for my  
opinion that no tired or ailing woman,  
young or old, can take these tablets  
without quick and lasting benefit."
