

#### BE READY.

When the train you wish to board comes roaring through  
Be ready;  
Not a precious second will it wait while you  
Wish to hurry back to see  
If perhaps there still may be  
Some little thing which you forgot to do.

#### Be ready.

When she sweetly looks at you and sighs "some day,  
Be ready;  
Some one else may hover near, prepared to say  
The word that you in fear  
Hesitate to let her hear.  
Love is often lost when it is turned away.

#### Be ready.

Opportunity will some day ring your bell,  
Be ready;  
She will not inquire if you are ill or well,  
She will not stand waiting there  
While you hasten to prepare,  
She must hurry to where anxious others dwell.

#### Be ready.

A messenger will summon you some day,  
Be ready;  
He will not withdraw, implore him as you may;  
He will not consent to wait  
While you pray to God, too late,  
To let you clear mistakes away—

#### A COMFORT AND A CARE

If Your Home is Blessed With a Baby You will Appreciate This.

A baby is a priceless comfort, but in its utter helplessness is also a great care. Anything that will relieve the tired mother and add to baby's health and happiness is both a help and a friend. This is what makes the statement of Mrs. Thos. Little, of Kingston, Ont., so interesting to all mothers. She says: "When my baby was eighteen months old he was troubled with a sour stomach and was badly constipated. These troubles made him cross and restless, and I had to be up with him a number of times during the night. I finally got a box of Baby's Own Tablets, and after giving them to him for a few days his bowels became regular, his stomach was sweetened and he slept well. I think these Tablets are just what mothers need for their little ones." Baby's Own Tablets are the best and most convenient form for administering medicine to the very young. They are safe and harmless and free from opiates. Sent post paid on receipt of price, 25 cents per box, by the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y. A book on the care of infants and children sent free on request. Write for it.

#### AN ANXIOUS TIME FOR NEURALGIC SUFFERERS

#### Paine's Celery Compound

The Only Medicine That Successfully Cures This Terrible Nervous Disorder.

Experienced physicians know well that the variable weather of this autumn month decides the fate of thousands in ill health. At the present time, men and women are falling around us like leaves before the chilling north winds.

Amongst the diseases prevalent at this time, terrible neuralgia with its sharp, lacerating and darting pains is doing its intolerable work. The winds, damp air and sudden changes in temperature, favor this pain-racking disease. The best physicians of all schools admit that Paine's Celery Compound is the only known specific for the cure of neuralgia. If you are suffering the tortments of this horrible nerve disease, we counsel you to give Paine's Celery Compound an immediate trial. It has permanently cured others; it will, without fail, meet your case. Mrs. F. McManis, Toronto, Ont., says:

"Ten years ago I was attacked with neuralgia, and thought treated by six doctors, the disease grew worse and I became utterly disheartened. One day my deliverance came. A lady who had suffered as I had, told me that Paine's Celery Compound had cured her. I used the compound, and it simply made a new woman of me. The pain vanished, I grew well, and I never felt happier in my life. All this is due to Paine's Celery Compound."

To persuade men not to gamble is to win money for them.

The greatest, the strongest, and, above all, the cleverest man is he who knows how to wait.

International Bible Lesson for Tomorrow—The Fall of Jericho—Jos. 6, 12-20.

Golden Text—"By faith the walls of Jericho fell down."

Some would have us believe that Israel crossed the Red Sea on a sand-bar, and that Jordan was dammed up for them by a landslide, and that Joshua having learned from Christ the use of gun-powder, had the walls of Jericho all mined ready to spring on the shout of Israel and make these divine miraculous interpositions only providential, natural occurrences, taking advantage of by wise leaders, like that prisoner amongst Indians, who, to save his life, threatened to destroy the sun, when he knew from his almanac, an eclipse was on. Such Satanic suggestions imply the people were deceived by their leaders into a belief of the miraculous when there was no miracle. Jericho, a strongly fortified border city, with houses built into its thick walls, was overthrown—not by the power of man—but by the power of God, who gave the city into their hands as they in faith and obedience followed His directions, which were precise and minute. Their obedience had to be as exact in every particular. After that awful silence what an awful war whoop! Israel's faith triumphed from the start, because they knew that they were obeying God and trusted Him to fulfill His word. By faith (in Israel's God) Rahab the harlot perished, not with the unbelievers, she received the spies from whom she got the promise of the scarlet line, the symbol of salvation. Joshua's faith for Ai was frustrated by Achan's sin of covetousness. What sin prevents the victory for His people now?

#### THE FIRST STEP

Of the child is an event in the mother's life. How proud she feels when the attempt to walk is begun so early as to evidence childish courage and sturdy strength. Such pride should be enjoyed by every mother. But it often happens that the child is timid, weak and deficient in vitality, and clinging to the mother's arms with no desire to walk or play.

Mothers should learn that to have strong children they must themselves be strong, for the child's strength is the gift of the mother.

The use of Dr. Pierce's Favorite Prescription by expectant mothers gives them health and strength to give their children a strong start.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

FROM NEWFOUNDLAND

The Island by the Sea Sends Grateful Testimony for Dodd's Dyspepsia Tablets.

No medicine for Stomach Trouble has ever been favored with so many hearty and voluntary letters of recommendation as Dodd's Dyspepsia Tablets.

These unadorned testimonies come from the people in all walks of life and in all parts of the world.

No evidence which might be offered could be more satisfactory and convincing. Men and women who have been sick and suffering for years have been cured and restored to perfect good health and in their gratitude write such hearty words as those of Mrs. John F. Sillars, of Western Bay, Newfoundland, who says:

"It gives me great pleasure to be able to say that I have been cured of Dyspepsia by the use of Dodd's Dyspepsia Tablets."

"For several years I suffered. I could not eat anything without suffering intense agony afterwards. I had tried everything I could think of but could get nothing to help me and had given myself up to die before I began the use of this remedy."

"Doctors had failed to do anything for me and there did not seem to be any help or relief."

"An advertisement in some paper drew my attention to Dodd's Dyspepsia Tablets and I began to use them about eighteen months ago. From the first I felt relief and now, after the use of five boxes, I am well and strong, and a new woman."

He leaves to mourn their loss a widow, his brother, Newbury; a sister, Mrs. John Dewey, Detroit, and a daughter-in-law, Mrs. John Marcus. —Glencoe Transcript.

ALLUDIN' TO MOSE!

There are absent minded people in every locality, but the Chatham man is the worst. He is so absent minded that he will go to a party and then cut it between himself and the tree is entitled to the pennant. —Blenheim Tribune.

NIGHTFALL

Slowly, by thy hand unfurled,  
Down around the weary world,  
Falls the darkness; oh, how still  
Is the working of thy will!

Mighty Maker, here am I,  
Work in me as silently;  
Vell the day's distracting sights;  
Show me heaven's eternal lights.

From the darkened sky come forth  
Countless stars, a wonder-world  
So many gleams of glory start  
From this dim abyss, my heart.

Living worlds to view be brought  
In the boundless realms of thought;  
High and infinite desires,  
Flaming like those upper fires!

Holy Truth, eternal Right—  
Let them break upon my sight;  
Let them shine serenely still,  
And with light my being fill.

Thou who dwellest there, I know,  
Dweldest here within me, too;  
May the perfect love of God  
Here, as there, be shed abroad.

Let my soul be attuned  
To the heavenly harmony,  
Which, beyond the poor of sound,  
Fills the universe around.

—W. H. Furness.
