We have had the privilege of reading

confidently promise a treat to all who  
attend. Don't miss it.

becoming quite popular with the Acadia

We would direct the attention of our  
readers to the business announcement  
of Messrs E. P. White & Co., merchant  
tailors, which appears in our advertising  
columns this week. The members of  
this firm are hustling and energetic busi-  
ness men, and their work has given ex-  
cellent satisfaction. We would bespeak  
for them a generous patronage.

On Friday evening Rev. J. S. Black, D.  
D., delivered a lecture in the Presbyterian  
church. His subject was "American  
Humor." He found that among our  
Southern cousins there has been and now  
is a spirit of true humor. The writings  
of Irving, Artemus Ward and Mark  
Twain gave examples of the points made  
by the lecturer. The lecture was much  
appreciated by a fair audience.

has sold his farm to Mr S. S. Forrest, of

the place, and will take possession short-

suitable farm in this locality for some  
time, but did not find one for sale until  
he secured a copy of the ACADIAN. He  
saw Mr Palmer's adv. and then went  
and purchased the farm. Does adven-

Murder at Avonport.

The intelligence that a murder had  
been committed at our very door startled  
the inhabitants of this town on Sunday  
evening last. Investigation of the rumor  
proved that it was only too true. Mr  
Oliver Fuller, an aged and respected  
citizen living alone on the back road  
leading from Wallbrook to Avonport,  
about five miles from Wolfville, was dis-  
covered on Sunday morning about nine  
o'clock to have been brutally murdered.

The crime was discovered by his nephew,  
Mr John R. Stewart, who was summoned  
by a neighbor of the old man who find-  
ing the door of the house locked and the  
blinds down became suspicious that  
something was wrong. They visited the  
dwelling and effecting an entrance  
through a window found the old man  
lying on the floor of his kitchen where  
he had been struck down with an axe  
while apparently in the act of kindling  
his fire to prepare dinner, on Saturday.

Coroner Hamilton summoned a jury  
and held an inquest in the afternoon  
when a verdict of wilful murder against  
persons unknown was rendered. Warrants  
were issued and a tramp named  
Miller was arrested on Monday by  
Policeman Toye and Constable Selfridge  
at New Minas and placed in Kentville  
jail.

Detective Power was summoned from  
Halifax and reached Avonport on Mon-  
day evening. On Tuesday Milton Con-  
nelly, a young man staying near the  
scene of the tragedy was arrested. He  
was seen near Fuller's place on the day  
of the murder.

The greatest excitement exists through-  
out the county and the news that these  
guilty party have been brought to justice  
would be gladly heard. No motive can  
be assigned for the horrible act as Mr  
Fuller was a genial and highly respected  
old gentleman and had not an enemy so  
far as is known in the world. The  
funeral was held on Tuesday afternoon,  
the remains being interred in the old  
Presbyterian churchyard at Grand Pre.

The people generally are shocked and  
horried that such a cold-blooded murder  
could have been committed in the  
neighborhood.

The junior Wolfville hockey team will  
play a match with their Canaan rivals  
in the Aberdeen rink on Saturday  
evening. A mile race between Arthur  
Hale, of Horton Academy, and Paul  
Green, the Canaan flier, will be had.

The following sections of the revised  
statutes are published by request of the  
sanitary authorities:

"Whenever any household knows that  
any person within his family or house-  
hold has the small-pox, diphtheria,  
cholera or scarlet fever, he shall within  
twenty-four hours give notice thereof to  
the board of health for his district, and  
no member of such household shall at-  
tend school until a certificate has been  
obtained from a legally qualified medical  
practitioner, or in cases where that is not  
obtainable, then from any member of  
the board of health, that infection no  
longer exists in the house, and that the  
sick person, the house, clothing and other  
effects have been disinfected to his satis-  
faction."

"Any person who violates any provision  
of this Act shall, unless it is other-  
wise specially provided, be liable for  
every such offence to a penalty not ex-  
ceeding twenty dollars, in the discretion  
of the convicting justice, besides costs."
