Insurance

Has Many Angles

The ordinary insurance buyer does
not dream of the many things that an
insurance agent has to think of when
writing a policy. It takes real knowl-
edge of insurance and close atten-
tion to a policyholder's needs to do
the job right. Your case is different
from the next fellow's. Insurance
writing isn't a cut-and-dried proposi-
tion. Policies should be fitted to con-
ditions and personal needs.

We go about the task with a proper
realization of its importance. Talk
with us.

is an acute attack of Nasal Catarrh.
Those subject to frequent "colds in the
head" will find that the use of HALL'S
CATARRH MEDICINE will build up the
system, cleanse the blood and render
them less liable to colds. Repeated at-
tacks of Acute Catarrh may lead to
Chronic Catarrh.

HALL'S CATARRH MEDICINE is
taken internally and acts through the
blood on the mucous surfaces of the sys-
