Business Office. News Department Wight Calls: News

SATURDAY, SEPT. 29, 1906.

Railway and Supply Company: Mr. G. Fred Pearson, who was formerly en to say that his firm merely gave foundland, and each of the Pearsons. porator, who was the president of the company when the matter of its transactions was investigated by the public accounts committee is Mr. Lordly confidential clerk of Mr. Pearson, sr. and a connection of his family served and a connection of his family served and the cause of friction and an investigate of the property of the prope

tendered for burning oil, and, pany received \$27,102 for oil supplied immediate return to Toronto. It is under this arrangement. Mr. Lodge difficult to see how such an under testified that before the put in his tender he had made an arrangement with the Imperial Oil Co. to supply as his snare. So the pany did not tender, though sit had United States for such purposes is a been furnishing oil to the railway in practice monopolized wholly by mem the previous year. All this business bers of the grit party, now recogniz was done by Mr. Lodge in the name ed everywhere as the party of scan was done by Mr. Lodge in the name of the Eastern Supply Co., whose address was given as 45 Sackville street, Halifax, which is Mr. Pearson's office.

Again, the Eastern Supply Co. put in a tender for wheelbarrows and re-

There was another contract for Styrian steel, on which the railway paid during the year \$7,910.66. This order was given without competition and the affair was managed by Mr Lodge in the name of the Eastern Mr. Lodge swore that he himself purchased the steel direct from

Houghton & Richards, of Boston. A third contract was for belting, or account of which the Supply Co. re ceived \$6,422.33. In this case tend ers were called for and the Eastern another firm made a lower offer fo the same quality of belting furnished

in the transaction. Mr. Emmers B. F. Pearson, M. P. P., and his may be able to give valuable infe mation on this point

It is somewhat amusing to hear from The Eastern Railway and Supply Geo. W. Fowler's present visit to British Columbia was taken to esca would be if required as ear end- derstood that a notification by tele gram would be responded to by his derstood; but in the grit fanaticism of amusing situations quiry one would require to get out of the country and running off to the dal.
