es At the afternoon meeting of the alcohol as a medicine, and the responsibility of physicians in prescribing sibility of physicians in prescribing it." He pointed out the effects of intemperance, which, he asserted, were largely the result of improper administration of liquor by physicians. He thought the time had come when a proper system of administering the drug should be devised. Liquor, he thought, should not be prescribed to persons in health, nor for chronic diseases or for fevers. Alcohol, he believed, should be taken as opium or believed, should be taken as opium or believed.

bis statistics.

Dr. Moore was of the opinion that alcohol had been used in the past very needlessly, and that every year the diseases in which it can be used are growing less and less numerons. He was considering it simply from a medical standpoint. In such diseases as diphtheria, low forms of typhus and snake bites, alcohol might be successfully used. He moved that the members of the Society discountenance as far as possible among their patients the use of alcoholics.

Dr. Moore was of the opinion that alcohol had been used in the past very buildings, but one can hardly resist the temptation to reach the summit in order to command at once a view of the Jordan Valley, including the Dead Sea on the one hand and a view of Jerusalem and its environs on the died in a few minutes. No one theread died in a few minutes. No one theread the view I paid sixpence and ascended the minaret of a mosque, and there, high above the offensive sights, sounds and smell of the place, viewed the remainder in the temptation to reach the summit in the temptation of the temptation to reach the summit in the temptation of the temptation to reach the summit in the temptation of the temptation to reach the summit in the temptation of the temptation of the temptation to reach the summit in the temptation of the temptation of the t M'nard's Liniment is For Sale by all Druggist; nd Dealers. Price 25 Cents.

grove's views.

Dr. Daniel believed that alcohol was a valuable stimulant. He thought till you are within a rod or so of the barristers. This is an important device the standing in English courts as English barristers. This is an important device the standing in English courts as English barristers. STGAR-COATED PILIS Was a valuable stimulant. He thought river bank. Washington, July 14, 1884. ing such a resolution. It is an ac. a glass the ruined castle of Macherus knowledgement that a large number may be discerned on the side of the present season. In fact there is such knowledgement that a large number of medical men are in the habit of giving the drug to an unlimited extent.

Dr. D. E. Berryman thought the motion was an admirable one, but he felt it would be injurious to the physicians and to their patients to adopt it.

Dr. Nevers read a letter from the W. C. T. U. He was of the opinion. Capital, but this season it has not been so. Politics and society have alike remained to share in the activity which the excitement of the campaign will cause here at

the Capital of the Nation.

Mr. Springer's tireless investigation com-Washington, July 17. mittee at last has rest. I'here will be two The following was received this reports on its investigations. One upon morning from Commander Schley:-St. John's, Nad., July 17, 9 a. m.cludes the latest and most fashionable Hats of which he keeps a good stock on hand Also Team Whips, Horse Blankets, Sweat Pads, Bells, including the Gong Shaft Bell), Curry Combs, Brushes, McLauglan Harness Oil, Electric Polish for mountings and the usual variety of usual variety of LIGHT DRIVING HARNESS

ELIGHT DRIVING HARNESS

Cludes the latest and most fashionable Hats position was absolutely unassailable. The eminent practitioners of the day are discountenancing alcohol. He believed the motion was strictly in Greenland. All well. Separated from the "Alert" one hundred and form the "Alert" one hundred and from the "Alert" one hundred and fifty miles north during a gale. At 9 believed the motion was strictly in order.

Dr. Musgrove thought it would not be undignified to admit that we had made mistakes. The spirit of the longer who made mistakes. The spirit of the longer was absolutely unassailable. The eminent practitioners of the day are discountenancing alcohol. He believed the motion was strictly in order.

Dr. Musgrove thought it would not be to undignified to admit that we had made mistakes. The spirit of the longer was in the expenditures in the department of Justice, proper, which will be prepared by Messrs. Hemphill and Crisp; and the other time, from the "Alert" one hundred and fifty miles north during a gale. At 9 be undignified to admit that we had made mistakes. The spirit of the longer was in the evidence recommendation of the defense who was connected with the defense in the expenditures in the expenditure in the closer, and "Lock-town of the description of the day of the expenditures in the expenditure in the expenditures in the expenditure in the closer. The interior of the day of the expenditure in the closer. The minent practitioners of the day of the expenditure in the close in the close in the ladies' letter was in the right direction. B

Dr. Barker said he was a firm believer in non-alcoholic medication. Hospital Steward Bidderback, Private

Hospital Steward Bidderback, Private

Was connected with the defense in the cases what he thought of the evidence produced by the Springer Committee in the matter. He said: "The statement of Woodward's is the first honest account of the inner history of their investigation." liever in non-alcoholic medication. He has entirely discarded the use of Cornell, and Sergeant Gillson, the alcohol, and gives instead beef tea and milk.

Dr. Covay, of Moncton, thought the prescription of any drug should not be governed by resolution.

Dr. Steeves thought the resolution.

Dr. Steeves thought the resolution.

Hospital Steward Bidderback, Private the inner history of that investigation we have had; it bears upon its face the stamp of truth, and even if it was not substantiated by record evidence, no man who knows woodward would question its accuracy. It has puzzled me, "continued the lawyer," why Woodward ever undertook that in had become imperative. Seventeen prescription of any drug should not be governed by resolution.

Dr. Steeves thought the resolution should not pass. We should be simply stultifying ourselves. It was also not only undignified but unnecessary.

Dr. White agreed with the last speaker. He would oppose the motion.

Dr. Brown, of Fredericton, did not see the necessity for the resolution.

Dr. James Christie thought they were trurning the society into a temperance convention. He was opposed to the tresolution. It insinuates that they have been doing in the past what they ought not to have done.

On a vote being taken the resolution was defeated by a small majority.

Jerusalem.

and died July 6th, at Goodhaven, three days after amputation, which there days after amputation, which ad become imperative. Seventeen of the 25 persons composing this expedition perished by starvation, at pedition perished by starvation, at the point where found. One was drowned while sealing to procure food. Twelve bodies of the dead the "Thetis" and "Bear"; one Esquimax, Turneik, was beried at lise, in secondary under the desired to have done. The lavyer was, as I suggested to him, mistaken in his estimate of the result? Absolutely nothing of value to the Government." Market Square and Chipman's Hill.

Market Square and Chipman's Hill.

Market Square and Chipman's Hill.

The Mount of Olives is the greatest disappointment of all. In the first place it is hardly a mountain at all, 18, after a passage of 21 days in Melonspicuous by reason of a paucity of the Dundee whaling fleet and conditives. There are plenty of other hills hereabouts that are much more thickly wooded. In the third place the top is disfigured by a large number of tawdry mosques, dirty huts and manure piles. This may seem like a look was too depend upon them to sustain life entirely. The "Thetis" reached Cape York June 18, after a passage of 21 days in Melonspicuous by reason of a paucity of the Dundee whaling fleet and continued to Cape Sabine. Returning seven days later fell in with seven others of this fleet off Wostenholme Island, and announced Greely's resoure to them that they might not be delayed from their fishing grounds, nor be leaved upon them to sustain life entirely. The "Thetis" reached Cape York June 21 tis being discussed in society by those who remember the plans for great exclusive-ness at the White House, begun with the Dundee whaling fleet and continued to Cape Sabine. Returning to depend upon them to sustain life entirely. The "Thetis" and "Bear" reached Cape York June 18, after a passage of 21 days in Melons to the being discussed in society by those who remember the plans for great exclusive-ness at the White House, begun with the Dundee whaling fleet and continued to Cape Sabine. Returning to depend upon them to sustain life entirely. The "Thetis" and "Bear" reached Cape York June 19, and "Bear
