BETRAYAL AND DEATH.

Sunbury Girl Dies Dejected By Her Lover Who is Said to be from The North Shore.

Fredericton, June 5.—The death of Miss Lena Grass, daughter of William Grass, occurred at Lincoln last evening under most distressing circumstances. Miss Grass had formerly lived in this city, where she had been employed as maid by a family living in the fashionable east end district. Last fall she was keeping company with a young man named Scott, a soldier at the local Military Depot some time ago, and employed in the lumber woods last winter. Scott's home is said to be at the North Shore. Last winter Miss Grass was found to be in trouble, and when Scott came to this city about Christmas he engaged a team on Sunday afternoon and drove down to her home. Upon learning the state of affairs he at once promised that he would marry the girl, and returned to this city ostensibly to make arrangements for the ceremony to come off the following day. Instead of keeping his promise Scott left here by train on Monday, and has never since been seen about the city. On Sunday Miss Grass was taken violently ill, suffering from convulsions. Drs. Bridges and Weaver, of this city were summoned, and an operation was performed, but the unfortunate girl never regained consciousness, and died last evening. Much sympathy is expressed for the bereaved parents.

DR. CAMPBELL, MODERATOR.

Presbyterian General Assembly Opened At Montreal Wednesday Night.

Montreal, June 6.—The General Assembly of the Presbyterian Church of Canada held its opening session in Ekinie Presbyterian Church last night. Rev. Dr. Falconer of Picton, N. S., was in the chair. The business meeting was preceded by services at which Dr. Falconer preached the opening sermon. This ended, nominations for the moderator were in order. Those nominated were: Rev. D. Campbell, of St. Gabriel Church, Montreal; Rev. H. Mowat, Montreal; Rev. Dr. Lyle, Hamilton; Rev. Dr. Duval, Winnipeg; Rev. Dr. Carmichael, Toronto, and Rev. Dr. Finlay, superintendent of Missions.

The vote resulted in favor of Rev. Dr. Campbell. Dr. Campbell, with natural modesty, wished to decline, but the assembly would not hear of it. Dr. Campbell has been pastor of St. Gabriel's for forty years, and the last ten years has been one of the assembly's clerks.

The assembly after disposing of some routine business, adjourned until ten this morning. There is a large attendance of delegates from all over Canada.

LEGEND OF THE TOPAZ.

Why the Jewel is Called the Stone of Gratitude. The topaz is called the stone of gratitude, and the old Roman books record the following legend, from which the stone derives this attribute:

The blind Emperor Theodosius used to hang a brass ring before his palace gates and sit beside it on certain days, hearing and putting to rights the grievances of any of his subjects. Those who wished for his advice and help had but to sound the gong, and immediately admission into the presence of Caesar was obtained. One day a great snake crept up to the gate and struck the brass ring with her coils, and Theodosius gave orders that no one should molest the creature and bade her tell him of her wish.

The snake bent her crest lowly in homage and straightway told the following tale:

Her nest was at the base of the gateway tower, and while she had gone to find food for her young brood a strange beast, covered with sharp needles, had invaded her home, killed the nestlings and now held possession of the little dwelling. Would Caesar grant her justice?

The emperor gave orders for the porcupine to be slain and the mother to be restored to her desolate nest. Night fell, and the sleeping world had forgotten the emperor's kindly deed, but with the early dawn a great serpent glided into the palace, up the steps and into the royal chamber and laid upon each of the emperor's closed eyelids a gleaming topaz.

When the Emperor Theodosius awoke he was no longer blind, for the mother snake had paid her debt of gratitude.

FIVE YEARS A SUFFERER!

Read The Cure.

MESSES. C. GATES, SON & CO.,
Gentlemen,—I was suffering badly for 5 years with a pain in my back leading to my kidney. I tried all the remedies I knew for the cure of it, but found none until by chance I heard of your

these I used and bathed as recommended and can safely say I am cured. I also had a swelling in a finger joint which was cured by the Acadian Liniment.

I can recommend all of them to any one as wonderful remedies. I will always keep them for immediate use and would advise others to do the same.

Yours very truly,
