

GOLDEN JUBILEE OF A BELOVED PREST.

Priests of Hamilton Diocese Honor Venerable Archdeacon Laussie at Cayuga, And the People of His Congregation Also Join in Paying Tribute to Him.

St. Stephen's Church, Cayuga, was the scene of one of the most important functions of the year—of several years—in the Diocese of Hamilton, yesterday, when the Venerable Archdeacon Laussie celebrated the golden jubilee of his ordination.

Venerable Archdeacon Laussie has been a good and zealous priest, a firm friend of the people, and one whose good works and kindly acts will stand as monuments of a noble life. All the good work which the Venerable Archdeacon has done cannot be recounted here, but in the brief biographical sketch below mention is made of a number of churches which he has been instrumental in building.

The celebration opened with a solemn High Mass of Thanksgiving at 10 a. m., at which Venerable Archdeacon Laussie was the celebrant, and Rev. Father Mault, D. D., of Mississauga, and Rev. Father Angler, of Hamilton, were deacon and sub-deacon respectively. The master of ceremonies was Rev. Father Coty, of St. Patrick's Church, Hamilton. Very Rev. Jean Maloney, rector of St. Mary's Cathedral, Hamilton, delivered the sermon. There were also present in the sanctuary, Very Rev. D. J. O'Connell, Dean of Mount Forest, Very Rev. Dr. Kleopfer, C. R., Berlin and Rev. Fathers K. E. M. Brady, Hamilton; J. J. Craven, Gait; J. Kelly, Walkerton; T. Ferguson, Brantford; G. J. Murphy, Dundas; E. J. Donovan, Dunnville; Doyle, Erection; G. Cleary, Caledonia; A. J. Savage, Hamilton; A. Loyes, Hamilton; J. S. O'Leary, Cayuga; J. J. Gehl, Formosa; J. Crinion, Paris; J. J. Cummings, Brantford; J. Crofton, Hespeler; A. Hickey, Woodville, and Rev. M. Hohn, St. Clemente.

Special solemn Mass was sung with Miss E. Wadell as organist, the choir rendering several hymns of praise. A most notable happy circumstance was the fact that Mr. James F. Egan, of Hamilton, who sang at the ordination of Rev. Father Laussie, fifty years ago was one of the soloists at this Golden Jubilee Thanksgiving service. He rendered "O Jesu Potissime" by Mozart, in a masterly manner. Miss Jennie Murray also sang "O Salutaris" most sweetly and acceptably.

At the close Very Rev. Dean O'Connell, on behalf of the clergy of the Diocese, presented a purse of gold to the Jubilarian, accompanied by the following address: To the Venerable Archdeacon Laussie: Very Reverend and Dear Father—If you look back upon the years that have gone and scan the calendar of your life, we feel certain that you will rank this hour high and precious, bringing to you as it does those joys and consolations which heaven alone can send.

For to-day, standing as you do in this House of God which you love so well, at the foot of that altar that you serve so well amid your loving and beloved people, your heart throbs with a celestial gladness while your thoughts soar above the world of fleeting things of earth, compelling your lips to repeat those precious words of gratitude and thanksgiving. "What shall I Render to the Lord for All that He has Rendered Unto Me?"

Yes, Very Reverend and dear Father, you celebrate today an event that is given to few of the Lord's anointed to witness, an event remarkable and uncommon and unique in the history of your Diocese, namely, the Golden Jubilee of your ordination to the priesthood. Fifty years as a Priest and Ambassador of Christ, a half century of labor in the vineyard of the Lord; what more natural then that amid the feelings and sentiments that swell up in your heart at this moment, there should be one stronger and more overwhelming than all others, to seize your soul in its very grasp; the feeling of thanksgiving to God, the Giver of all good gifts for his unpeakable goodness and mercy in sparing you to the holy joys this day brings.

But we need not have you rejoice alone. No, with the grateful prayers that go up to-day from your own priestly heart and from the hearts of your devoted flock to the throne of the Most High, we your Brother Priests of the Diocese, have come to mingle ours, and to tender you, respected and beloved Jubilarians, our sincere and heartfelt congratulations. And although we know you too well to think that any words of praise, and even well tempered appreciation of your priestly character, would find favor in your eyes; you are too great for that, and great men are always humble; yet we cannot but seize the opportunity presented to us to tell you, Venerable Jubilarians, what a high value we place upon the privilege of having known you and labored with you in the field of priestly work in the Diocese of Hamilton.

Few among us, it is true, can go back in memory to that day when after years of mingled hope and fears of anxious thoughts and noble aspirations of a young levite, and far from home and kindred, you knelt at the feet of the officiating Pontiff, to rise again a Priest forever. Fifty years have flown by since that eventful day, but your life since that hour has been an open book wherein it was given your brother priests to read what a true virtue God should be. With Jesus Christ, the Divine Model and Great High Priest, continually before your eyes, you have ever striven to virtue into your life the practice of those virtues that mark the true disciple of the Divine Master. And if we be permitted to single out one virtue in the voice of your Ecclesiastical Superiors the call to which every other should give way; your cheerful obedience and general self-sacrifice you have more than once proved yourself a true follower of Him who came into the world to do the will of His Heavenly Father. But we will not delay longer in voice the many other enabling qualities

you possess—traits of character that have endeared you to those who have known you and feel your influence as a kind father, a just and wise counsellor and a true friend.

This, Very Reverend and dear Father, has been the honor and privilege of each one of us, though weak indeed, of the value we place upon it, as well as a feeble expression of our regard and esteem, we beg you to accept this purse of gold, accompanied by our fervent prayers, that God may spare you many years to come, and that each one of them may be filled with those unspeakable consolations that our Heavenly Father reserves for those who have sacrificed all for Him.

Signed on behalf of the Clergy of the Diocese of Hamilton, by all the clergy present.

The Venerable Archdeacon was much overcome by the reception of so much kindness, but as well as his feelings would permit thanked the clergy for the kind wishes and generous gift.

Then followed another presentation—a committee from the congregation, composed of Messrs. J. N. Murphy, M. McConnell, John Murray, sen., Wm. Murray, John Farrell, Jas. Lynch and Michael Toohy, advanced to the altar railing and presented their venerable priest with an address accompanied by a purse of nearly \$200 in gold. The address was read by J. A. Murphy, County Crown Attorney, and the presentation was made by M. McConnell, Sheriff of the county of Hamilton. The following is the address:

The Venerable Archdeacon Laussie, Parish Priest of St. Stephen's Roman Catholic Church, Cayuga, Ont.: Very Reverend and Dear Sir,—On this extraordinary occasion, when you are being honored by the hierarchy of your Church, in whose service you have spent half a century of years, we the congregation of this church, to whom you have given more than a fourth of these years of service, desire to lay at your feet our tribute of cordial loyalty and high appreciation.

We venerate you for your sanctity and learning, we appreciate you for your self-denying and devoted labors for our spiritual welfare and betterment, and we love you as our pastor and friend.

We assure you of our sense of the success of your labors evidenced by the vitality, harmony, and spiritual well-being of the parish.

We earnestly and cordially entreat the continuance of your ministrations towards us, and humbly and dutifully petition our beloved bishop to extend your incumbency to this parish.

Though full of years, we thank God for your mental and bodily vigor, and pray Him to vouchsafe you for many years this as well as other blessings and graces.

In testimony of our regard and attachment we pray your acceptance of this brief but sincere expression of opinion, as well as this purse of gold, on this the occasion of the Golden Jubilee of your priesthood, we freely and cheerfully offer you, Sagarth Aroon, the golden coin of the most precious affection, an affection that is felt by the children of the parish who love you; by the adults who have preserved their religious and moral integrity, blessing you as their visible guardian angel; by the penitents, showing their gratitude to you, who have carried them back to their Father's house; by the poor, looking upon you as their benefactor; by the sick, trusting in you as their spiritual physician; by the sorrowing and disconsolate, cherishing you as their comforter and sympathetic friend; by the whole congregation, who revere and honor you as a good and friend, who breaks to them the Bread of Life, preaches to them the words of salvation, solves their doubts and heals their dissensions.

Signed on behalf of the Congregation.—J. A. Murphy, John Murray, Michael McConnell, Wm. Murray, John Farrell, Michael Toohy, James Lynch.

Here again the recipient was forced to control his feelings and thanked his people for their love and generosity, which he did in a few well-chosen words. The service closed by the singing of the Te Deum.

Held a Banquet. The celebration was then continued by a banquet in honor of the venerable father and the visiting priests and friends in the store building of Sheriff McConnell, which was beautifully decorated. Two long tables were laid, and those present included the visiting priests, a committee from the congregation, and a few invited laymen, numbering about seventy in all.

During the progress of the banquet the following toast list was observed: "The King," by Mr. Jas. Egan, Hamilton, singing the National Anthem; "The Pope," responded to by Rev. J. H. Coffey, and "Our Guests," by Ven. Archdeacon Laussie.

A happy feature of the celebration was a message of blessing from the Holy Father at Rome for the Archdeacon and his people, which was received on Wednesday morning. Telegrams of congratulatory nature were also received by the Venerable Archdeacon from his Lordship Bishop McEvoy, of London, and his Lordship Bishop Dowling, of Hamilton. Venerable Archdeacon Laussie was born Dec. 24, 1830, at Laguiole, in the Department of Aveyron, in France, and studied in the Seminary of Rodez, where he also spent four years as professor. He came to Canada in 1857. Two months after he was ordained priest by Bishop Farrell in the old St. Mary's Cathedral, Hamilton, on Nov. 1. His first charges were Binbrook, Waterford and Burlington, in the latter of which he built the present commodious church. Later he was attached to Metton and attended also the parish of Peel for two years, when he assumed charge of the parish of Arthur, attending also Mount Forest, Proton, Minto, Kenilworth and other places. The work proving too heavy, Father Laussie was transferred to Paris, and after one year received charge of Metton, where he remained five years, during which time he built and paid for the present Peel church. Later on Father Laussie was sent to Arthur, where he remained three years, and built the present beautiful church there. During the same period by his efforts the church of Dray-

ton was built. Afterwards Father Laussie took charge of Walkerton, and built also the church in North Brant, making a total of five churches built by him. At this time there was a scarcity of German-speaking priests in the diocese, and the zeal and industry of Father Laussie is seen from the fact that at the age of 57 he acquired so thorough a knowledge of the German language that he was able to take charge of the parish of Carleton Place, where he preached in the German tongue for four years. After organizing the Classical School at Hamilton, His Lordship Bishop Dowling requested Father Laussie to assume direction of it, in succession to Father Carson, and so successful was the work that some half dozen young men, who were members of the class during the year he was in charge have since become priests. His Lordship afterwards appointed him archdeacon and member of his council, and on the death of Dr. Barbour thirteen years ago, Father Laussie was appointed pastor of Cayuga by Bishop Dowling.

A Catholic mission was first established in Cayuga in 1849, previous to which time the members of the church in Cayuga attended mass in Indiana, where a church had been built. Father Baumgartner was the first priest, and after him in succession came Fathers Callinane, Schweizer, Laufhuber, and McNulty, each of whom celebrated mass, until Father Shea was appointed first priest in Cayuga in 1870. He was followed two years later by Father Wadel, who was instrumental in building the present church. After him came Rev. M. J. Cleary, and Rev. Jas. Lennon as assistant; and in 1882 Father Barbour was appointed, to be succeeded in July, 1894, by the present pastor, Ven. Archdeacon Laussie.

Work for College Men. College clubs are becoming wonderful employment agencies and the universities themselves also. The Yale Club of New York and the bureau of self-help of the university in New Haven report a greater demand for Yale men than they can supply, and the same story is true of Harvard. Recently a wealthy Pennsylvania, a Harvard graduate, came to Cambridge and won over to his business a Western Harvard graduate who had just entered the law school. The university was the medium which brought the two together.—Boston Record.

SAVED HIS NECK. SENTENCE ON PARRY SOUND MURDERER IS COMMUTED.

Capelli Was to Have Been Hanged Today—Fell Down and Kissed Floor of Cell When Told—No Mercy for Collins.

Parry Sound, Ont., Nov. 6.—A telegram was received at 6 o'clock this evening directed to Sheriff Armstrong from P. Pelletier, Acting Under-Secretary of State, stating that the Governor-General had commuted the sentence of death upon Frank Capelli, the Italian, to that of imprisonment for life.

All preparations had been made for the execution to-morrow morning. This case has been sensational on account of the various phases which it has assumed since the trial last spring. Once before the order to stay the proceedings was received on the day before that appointed for the execution. Capelli, who up to this time has borne the strain of the situation apparently in a stolid and indifferent manner, gave up completely this evening when the sheriff announced to him the order of commutation of sentence. The unfortunate man dropped on his knees and kissed the floor of his cell.

Acted on Judge's Advice. Ottawa, Nov. 6.—At today's Cabinet meeting it was decided to exercise Executive clemency in the case of Frank Capelli, who for some months has been lying under sentence of death in Parry Sound Jail for murder. The Cabinet was influenced to reach this decision by a strong report of Judge Tetzell in favor of the prisoner. Capelli will serve a life term in Kingston.

No Mercy for This Man. Ottawa, Nov. 6.—Mr. Sherring, barrister of Moncton, was here to-day to urge the commutation of the death sentence imposed upon Frank Collins, of Albert County, for the murder of Miss MacAlay, housekeeper to the Roman Catholic priest. The circumstances of the murder were most brutal, and it is understood the capital sentence will not be interfered with. The curious feature in this case is that Collins was convicted only on the third trial. At the first two trials the jury disagreed.

TO END IT ALL. AFFRAID TO RETURN TO SCHOOL, CHILD DRANK DEADLY POISON. Foolish Eleven-Year-Old Girl at St. John, N. B., Swallowed Quantity of Carbolic Acid.

St. John, N. B., Nov. 6.—Because she did not want to go to school, and crying "I will end it all," eleven-year-old Rebecca Scott, of 182 Erie street, drank carbolic acid from a bottle yesterday afternoon.

The little girl is a daughter of James Scott, fireman at the Portland Rolling Mills. Since the death of her mother, about a year ago, her step-sister has been filling the mother's place. It had been found that Rebecca was playing truant, and her step-sister called upon the girl's teacher, arranging that she should return to school yesterday afternoon. Rebecca evidently dreaded the ordeal, fearing that she would be whipped by the teacher, and said that she would not go back.

When urged, she became desperate, and rushed to a shelf upon which was a bottle of carbolic acid, and with a glass, she would end it all, succeeded in swallowing a quantity of the contents before it was realized what she was doing.

The girl was in great agony immediately, and Dr. James Christie was hurriedly summoned. Finding she was in a serious condition, he took her in his carriage to the General Public Hospital. She was terribly burned inside the mouth and throat, and it is expected that she will die.

WANTED TO BE COURTEOUS. Why Kaiser Will Recuperate in Isle of Wight.

Berlin, Nov. 6.—It is semi-officially announced that the Kaiserin has yielded to the earnest persuasions of King Edward and Queen Alexandra and will accompany the Kaiser on his coming visit to England.

The speculation continues regarding the Kaiser's reported intention to propose to the Queen in England. It is stated that the suddenness of the decision does not imply anything alarming. It was merely one of the Kaiser's characteristic impulsive resolutions, harmonizing with medical advice and his own desire to show courtesy to England.

BULLET TORE HIS LEG. Hastings County Man Shot While Deer Hunting.

Belleville, Nov. 6.—Mr. C. Howard, a young man residing near Crookston, Ont., was accidentally shot in the leg yesterday afternoon while hunting near Millbridge, north of this town. A party of deer hunters were examining the files before entering the woods, when one of the guns was discharged, the ball entering Mr. Howard's leg below the knee, shattering the bone and tearing the flesh terribly. He was taken to Belleville Hospital.

DREW REVOLVER ON GIRL. Daring Robbery of Buckhorn Store and Post Office.

Peterboro, Nov. 6.—Last night the store and postoffice at Buckhorn, about twenty miles north of this city, were robbed of between \$25 and \$30. A stranger entered the shop and made a small purchase from the Postmaster's daughter, and there was considerable money in view. As the man was going out the girl retired into the dwelling adjoining. He returned and was taking the money, when the girl seized his arm, but released it as the man drew a revolver and made his escape. The man was a stranger.

Walkerton Bigamy Case. Walkerton, Nov. 6.—The Switzer bigamy case was tried to-day before Judge Barrett. The question arose as to the validity of a Dakota divorce. Judge Barrett let the defendant go on his own recognizance, and told him he would never likely be called on for sentence.

Two more twelve-room schools are needed in Toronto.

ELECTION CASES. LONDON PERSECUTION WILL GO ON, SAYS MR. JOHNSON.

Never Any Negotiations With the Government for a Saw-off—Case Will Be Called on Nov. 18 at Toronto.

Toronto, Nov. 7.—The case of the London donors indicted for conspiracy, arising out of the election inquiry, will go on on Nov. 18 in Toronto. Twenty witnesses have been subpoenaed in London. Geo. Lynch-Staunton, K. C., of Hamilton, is the special Crown prosecutor to conduct the case.

Rumors emanating from those high in the confidence of the Conservative party in the Province have been about that desperate attempts were being made by Liberal politicians to arrive at an arrangement with the Crown whereby, for various considerations, among which would be the absence of a Liberal candidate at the recent London by-election, the conspiracy proceedings should be dropped. These rumors are untrue. Mr. Johnson said to a reporter:

There is absolutely no truth in the report that there has been a saw-off with the Crown. No saw-off has been made or attempted. I have seen Hon. Mr. Foy and others, even as late as a month ago, representing that the prosecution of these men had become a persecution. I have pointed out on several occasions that the charges were technical and reached the actual offence only in a roundabout way, which was never intended to be covered by the statute.

The actual offence, bribery, is barred from prosecution after two years. The commission sent out to Australia and Hong Kong to catch W. T. R. Prestou got him at Hong Kong, and has been returned within the last two weeks. It is in the hands of the clerk of the assizes, and will be opened at the trial. That for the examination of various witnesses in Detroit has been taken out, but has not, as yet, been acted upon, but may be before the trial. There is ample time. Three of these witnesses have returned to London, and if these can furnish all the evidence that all could give I will not use the commission.

I expect to go to trial at this court immediately. I think that these cases should be tried before a judge and not a jury. If the jury is Liberal they will be convicted. A mixture will mean a disagreement, and we will have had all our work and expense for nothing. A disagreement is likely.

Attorney-General, Mr. Johnson said: "I have not been approached by Mr. Johnson or anyone else with any offer of a saw-off, either offering the London election or anything else as the whole or part of the consideration."

LOADS OF GOLD BRICKS. Millions in Bullion Dumped Into Wall Street.

New York, Nov. 6.—With no greater ceremony or care than if the iron-bound wooden boxes had contained so much weight in tin or other base metal, the more than \$3,000,000 in gold brought to port yesterday by the swift express steamer Kronprinzessin Cecilie was transferred from the strong room of the vessel to Wall street today. The gold consists of it in American eagles and double eagles was taken to the United States treasury, while the bars of bullion, real and resinoid bricks, were dumped at the assay office. The government immediately advanced to the bankers to whom the gold was consigned, ninety per cent of the value of the shipment in bills and small currency.

The throngs of the curious who gathered at the Hoboken pier to see the yellow treasure unloaded, saw nothing more romantic in the scene than the men in wooden boxes bound with red tape and splashed over with sealing wax. At no stage of the transfer was the sparkling silver approaching the spectacle.

DAKOTA DIVORCE DIDN'T GO. Helped a Little, However, and Sentence Was Suspended.

Walkerton, Nov. 6.—The Switzer bigamy case was tried before Judge Barrett today. From the evidence it was evident that Switzer had violated the marriage laws of the country, but unintentionally. This judge therefore let him off on suspended sentence under bail, to appear at any time within six months for sentence.

In 1887 Switzer was married in Manitoba to Ida Jane Johnson. George (Fred) Ida Jane, he had bought himself of another former sweetheart, Marie Horst. He therefore concocted various schemes to get rid of Ida Jane and in 1886 was divorced from her in Dakota. A short time afterwards he was married to Marie Horst.

KICKED SATCHEL FOR A WEEK. Grocer Didn't Know the Valise Was Loaded.

Winsted, Conn., Nov. 6.—Elijah O. Peck, the well-known satchel man, is trying to figure out why he is not getting on the edge of a damn good kicking a week, instead of a week's outter, for the past week he has been kicking a satchel for a week beyond, but he hasn't a notion what it means.

"Morning like," said a traveling man who dropped into the satchel man's office yesterday. "If you don't object I'll leave this grip here till I return."

The satchel man didn't object, and the grip was checked behind the big stove. Every time Liza picked up the coal scuttle he kicked the satchel and made sundry observations about folks who used his place for storage purposes. When trade was dull he amused himself by kicking the leather all around the room.

"Guess I'll take my dynamite now," said the traveling man, returning to-day and picking up the grip. He showed the contents to the badly-frightened grocer and ever since Liza has been the satchel man's boy running around to the Peck household to see if there's a crane on the brass knocker.

ONE WILD, GLORIOUS NIGHT. New Canada Fairly Sizzled the Last Wet Evening.

New Canada, Conn., Nov. 6.—This town went dry to-day. Last night the town made a brilliant and concerted effort to wipe out rain by buying up all that was left over from the wet season.

Ministers and temperance societies vied with the convivial, and to the woe of the latter they were outbid in many cases, and in Main street three car-loads of booze ran like water after a cloudburst. Biers, whiskeys and liquors of all kinds that are now under the ban of the law were sold at auction in all the saloons. The course of rain was wiped out effectively at midnight, but there are many aching heads to-day to pay.

True Bill Against Detective. Winsted, Nov. 6.—A true bill was brought in this morning by the grand jury at the assize court against Detective George Smith, charged with manufacturing in the village of Oscar Gans, Oct. 19.

Mr. Bourassa's Plans. Montreal, Nov. 6.—Mr. Henri Bourassa has declared that he will not run for Federal honors in Quebec or any other constituency, but will continue to devote himself to Provincial politics.
