Lord Beaverbrook plans to take a holiday during his stay at Halifax.

**BAND CONCERT.**  
The Newcastle concert band, gave another of their much appreciated band concerts on Friday evening. The weather was ideal for an open air entertainment and a large number enjoyed the music. A collection was taken up during the concert and a respectable sum realized, which will go towards the purchase of new instruments. That the music is appreciated by the citizens is conclusive, by the large number who congregated around the square and by their hearty response in helping out the collection fund. The members of the band also appreciate the public's generosity.

**CHATHAM EXHIBITION.**

The Sir Max Aitken is running on a special schedule to accommodate those attending the exhibition from up river points.

## IN MISERY FOR YEARS

**Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.**

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."  
—Mrs. LEZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.  
Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham's Medicine Co., Lynn, Mass. The result of the long experience is at your service.

**Catarrhal Deafness Cannot be Cured** by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or intense noise in the ears, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Drug-F. J. CHENEY & CO., Toledo, O., Lists, 75c.

William Farnum outdoes all previous efforts in his fighting scenes in "Fighting Blood." His church is invaded by a gang of toughs, former acquaintances. Hardy quells his desire to fight, but at last cuts loose and throws the toughs into the street.

Barney Oldfield, automobile racer; Jess Willard heavyweight champion, and Frank Chance, one-time famous first baseman, witnessed all of the fight scenes. Each is enthusiastic over Farnum as a specimen of fine physical manhood.
