

Former Nelson Man Dies in Michigan

John Henderson Bateman, one of the most highly respected residents in Oconto Falls, died in a hospital at Iron River, Mich., at 5 o'clock last Sunday morning.

Mr. Bateman left this city on Monday morning for the upper country to look over a tract of timber for the Holt Lumber Co. of Oconto, and was accompanied in his auto by his two sons, Kevin and Norman. On the drive north Mr. Bateman manifested signs of illness, and shortly after reaching Iron River he became seriously ill at the hotel. A doctor was called and he suggested that the patient be removed to the hospital as conditions for caring for him were better. He was immediately conveyed by car to the hospital, but was unresponsive before reaching that institution, and remained in that condition until five o'clock next morning, when he breathed his last.

Mrs. Bateman was informed on Friday evening of her husband's illness, but was assured that nothing serious need be feared, and the announcement at an early hour Saturday morning of his death came as a staggering shock to that lady. Accompanied by Undertaker W. A. Flatley of Oconto Falls, and Lincoln Leigh and Henry McParlane, the latter a cousin of Mr. Bateman, both of Oconto; Mrs. Bateman left on the noon train for Iron River, and the party returned the same night bringing the body of the deceased.

John Henderson Bateman was born in Nelson, New Brunswick, Canada, August 31, 1866. He came to the United States thirty years ago, and thirty-nine years ago entered the employment of the Holt Lumber Co. of Oconto. For twelve years he was woods foreman for that concern, and during the past seventeen years has been superintendent of the company's extensive logging operations.

He was married at Stiles to Miss Mary Marr, daughter of Mr. and Mrs. Cornelius Marr of the town of Oconto Falls, on September 27, 1899, and since that time has been a resident in Oconto Falls village and city. To this union were born four children, three of whom, Elva, Kermit and Norma, survive; the first born was a son, who died in infancy. During Sunday and Monday forenoon the home of the deceased, corner of C. Hill street and Washington avenue, was visited by scores of people of Oconto Falls and other parts of the county, who came to pay their sincere respects to one whom they loved and respected, and whose character for sterling integrity, cooperation with his always cheerful and courteous manner, endeared him to his myriads of friends.

A brief service was conducted at the family home at one o'clock on Tuesday, after which the remains accompanied by a large number of friends, were conveyed to the Presbyterian church at Oconto, where the final services were conducted by the pastor, Rev. E. W. Wright, at the conclusion of which the funeral party moved to Evergreen cemetery and the body of the deceased was laid to rest beside his wife and his two sons. The pall bearers were John P. Johnson and Wm. Leonard of Oconto Falls, Lincoln Leigh, Arthur Ramsay, James Urquhart, of Oconto, and Edward Herald, of Bruce Crossing, Mich.

In addition to the wife and three children, Mr. Bateman is survived by his aged mother, a sister, Mrs. Mary Maurer, and one brother, Everett, all of Nelson, New Brunswick, none of whom were able to attend the funeral by reason of the critical illness of their mother, Mrs. Bateman. Relatives from out of the city who were present were Cornelius Marr of Oconto, father of Mrs. Bateman; Mr. and Mrs. W. F. Marr of Alliance, Ohio; brother-in-law, Neville Grant Cousin of Mrs. Bateman, and her daughters, Misses Letha and Alice, of Oconto.

Out of town friends who visited the home of the deceased prior to the funeral were Mrs. Kate Brice, Mr. and Mrs. Herald, Mrs. Ed. Herald, Mike Herald, Wallace Cook, F. G. Esson, W. L. DeWitt, Mr. and Mrs. James Urquhart, Sr. and Mr. and Mrs. James Urquhart, Jr., Mr. and Mrs. John Gordon, Mr. and Mrs. Frank Treppner and daughter, Margaret, Mr. and Mrs. Lincoln Leigh, W. A. Holt, Alfred Kline, and Henry McParlane of Oconto, John Magee and son, Harry, of Gillett, Brown Gravel and Mr. and Mrs. John Sniffs of Lena, Mr. and Mrs. Grady and children, Oscar Isaacson and Ole Olson of Lakewood and George Sauer of Townsend. —The Oconto Herald, July 23.

Douglas Fir Railway Ties

During the war, Douglas fir railway ties were introduced on railways in the eastern United States but only as an emergency measure. Some authorities were dubious respecting the durability of this timber when used in the comparatively dry climate of the eastern states but, thus far, experience is largely favourable to its use for this purpose. The immediate result may be a demand for Douglas fir ties in the eastern and southern United States for ties of standard, 1 1/2 inch, etc.

St. John Woman Almost Gave Up

Was so Weak had to be Helped Out of Bed—Gains Thirteen Pounds Taking Tanlac

Just think of it! Only a few weeks ago I was so bad off as to be almost helpless, but since taking Tanlac I have gained thirteen pounds in weight and am enjoying the best of health," said Mrs. Leonard Miller, 124 Water St., St. John's Newfoundland, a few days ago. "No one knows what I have gone through during the past nine years, for I have suffered from a complication of troubles," she continued. "My digestion was so bad that no matter what I ate it would disagree with me and keep me in misery for hours afterwards. I was troubled a great deal with heartburn and after every meal I would have a stuffy, distressing feeling. My heart palpitated so bad I thought I would smother, and I became so dizzy I had to catch hold of the nearest thing to keep from falling. My back was weak and lame and at times it pained me so I could hardly stand it. Severe headaches often came on and I was so restless and miserable I could never sleep good at night. My nerves were terribly upset and even the children playing would nearly run me wild. I was afraid to be alone, for several times I thought I was going to die. Then rheumatism set in and my hands and feet would swell up and pain me so I could hardly stand it. I gave up my household duties and was so weak that I cannot now understand how I held out as long as I did. "But now things are different, for Tanlac has overcome all my troubles and I am feeling like a young girl again. I enjoy my meals now, because I can eat anything I want and not suffer one bit afterwards with palpitation or heartburn. My back never bothers me in the least and the headaches are a thing of the past. My nerves are steady and I can sleep all night long as sound as a child. The rheumatism has completely disappeared and I work all by myself. I feel stronger and better than I have in many years and I am overjoyed at what Tanlac has done for me."

Tanlac is sold in Newcastle by E. J. Morris, in Redbank by Wm. M. Sullivan and in Doaktown by O. Hildebrand.

The Jewelers of New Brunswick entered the Canadian National Jewelers' Association on Wednesday in St. John when an organization meeting was held and a dinner at Bond's restaurant tendered to the visiting jewelers. The organization is to be known as the New Brunswick Jewelers' Association. H. C. Page was elected chairman of the Provincial branch, which was divided into two districts, the St. John and Moncton districts. The dinner, which was attended by about fifty jewelers, was a great success and it was addressed by M. C. Ellis, of Toronto, president of the Canadian National Jewelers' Association, who was present to assist in the organization of the New Brunswick branch which is the last to enter the Dominion association. His Worship Mayor Schofield was present at the banquet and he welcomed the visiting jewelers to the city.

Polish Situation Is Critical

England regards the Polish situation as extremely critical and presenting many difficulties here. On the one hand the Bolshevik envoys, Kamaneff, Krassin, M. Hutin and Rithstem are here declaring they have the fullest powers to negotiate not only a trade agreement, but also peace in the widest sense, including all of Europe. Kamenoff, who has seen Lloyd George, was simply told that no negotiations could be considered until there was an armistice in Poland. In Poland the Soviets are asking the Polish envoys to conclude peace in lieu of an armistice, though they know the envoys have no such authority for involving England and the Allies. The Bolshevik armies are already far beyond the line understood as the limit beyond which they were not to pass without bringing the Allied armies to Poland's support. The Red armies are still advancing and cutting across the Danzig corridor and menacing Warsaw. Britain is obligated to step in soon and end the invasion, though neither Britain nor Russia wants war, the former because it would again embroil Europe and the latter because of the condition of her urban population. The situation is deadlocked with no solution in sight. The result may be the capture of Warsaw by the Bolshevik when England and probably France would undoubtedly send troops again to the front. If America would act in concert with them and blockade Russian ports they could effect this without troops.

New Position Offered Rev. W.D. Wilson

General Secretary of the N. B. Temperance Alliance

FREDERICTON, Aug. 10.—P. Esling, Donald Fraser of the New Brunswick Temperance Alliance, announced here last evening that Rev. W. D. Wilson, now chief inspector under the New Brunswick Prohibition Act, had been offered an appointment as general secretary for the alliance, a new position which it has been decided to create. Mr. Wilson's present position as chief inspector in a Provincial General Temperance Alliance, and it is understood that while he has not resigned he will do so shortly. Before leaving for St. Leonard's, last evening, to investigate thefts of aged alcohol in Madawaska County, he was asked as to his intentions for the future, and admitted he had been offered the new post, but would not state definitely whether he would accept or not. Rev. A. F. Boothroyd, who has been held secretary of the New Brunswick Temperance Alliance, and acted as chairman during the year preceding the recent provincial plebiscite, is retiring from his position with the Alliance, and will resume a private life in the New Brunswick Conference of the Methodist Church. There is no intimation thus far as to who will probably be the successor to Rev. Mr. Wilson in the event of his retirement.
