The boring disclused many important facts in regard to the geological features of that part of the country. Excellent water was obtained at a depth of fifty feet. Dear Sir—
For many years my wife

For many years my wife has had serious Organic, and of course, Functional Disease of the Heart, and frequently has "seizures" of the most terrible description, menacing her with instant death. I have tried many prominent Heart Remedies without avail, but in Dr. Campbell's 'Heart Regulator' I am free to confess, we have found the "Supreme Pallative," if not the "Radical Cure." Your preparation, 'Destor, alvays relieves her instantly and perfectly, while the 'seizures' are much loss frequent and severe. I have also prescribed your remedy in my practice, I can and do, most conscientiously commend its use to all suffering from Organic or Functional Cardiac Derangements.
