

Men and Women

Old and Young—Use and Endorse

Duffy's Pure Malt Whiskey because of its great remedial qualities. These friends who have been made strong and vigorous by its use are glad to proclaim its tonic stimulating virtues and recommend it to their friends and neighbors.

At 69—Feels Like 50
"Eight years ago, when sick, I lost my appetite. I could not eat solid foods. My family physician advised taking Duffy's before meals. Now I feel more like 50 than 69. My appetite is splendid. Duffy's is very invigorating. A dealer tried to sell me a substitute, but the doctor told me to insist on the genuine."—Mrs. A. Campbell, 1111 West Ninth St., Spokane.

Male and Hearty at 76
"For twenty years I have taken Duffy's and for the last four years I have never been without it. I have used it for malaria and dysentery and found it the best medicine I ever took, and I have been living 76 years. It puts new life in me, and I thank the company for so grand a tonic."—James S. Robinson, 620 Main St., Paterson, N. J.

Relieved Stomach Trouble

Stopped My Cough

"My husband suffered with stomach trouble for 12 years. Three doctors gave him no relief, but after taking three bottles of Duffy's he was entirely cured. He now looks fine and weighs 180 pounds. We would never be without it."—Mrs. Fred F. Zink, 2223 Saratoga St., New Orleans, La.

"I sincerely believe Duffy's is the grandest medicine ever made. It relieved me of a cough that my doctor could not stop. I had been in poor health 3 years, but nothing did me any good till I took 3 bottles of Duffy's. Now I tell all how it helped me."—Mrs. Ila Benjamin, Woodhull, N. Y.

she will be restored to health in a
short while.

SAD CASE.—The young man, Cor-
bett, of St. John's, who arrived here
yesterday and went to the St. George's
Hospital, suffers from cancer of the
mouth. His case is incurable and he
was twice before in the General Hos-
pital, but he is resigned to his fate
nevertheless.

The Pelicans and St. Bon's football
teams will play the opening game of
the League fixtures. This match was
set down for Monday but has been
postponed to Thursday of next week.
This will give the players more time
for practice. Both clubs have been in
hard training for the past week so that
a lively exhibition may be looked for.
The line-ups are not yet decided on.

near St. Patrick's Hall was again

the R. C. Cathedral and St. Patrick's
Church were crowded for the con-
clusion of the Triduum in honor of
the Sacred Heart held in each church.
The High Altars were beautifully de-

A Woman's Sympathy
Are you discouraged? Is your doctor's
bill a heavy financial load? Is your pain
a heavy physical burden? Do you know what
these mean to a woman?—We have
been discouraged, too; but learned how to
cure myself. Want to relieve your bur-
dens. Why not end the pain and stop the
doctor's bill? Can this be done for you and
will it if you will assist me.

All you need do is to write for a free
box of the remedy which has been placed
in my hands to be given away. But pass
this one by—will cure you—it has done so
for others. I feel as happy and
you will be cured for so (the cost of
postage stamp). You doctors hold con-
fidentially. Write away for my free treat-
ment. Mrs. F. E. CURRAN, Windsor, Ont.

Marine Notes.

The Morwenna leaves Montreal to-
day coming via Gulf ports.

The schr. Helen Stewart arrived
yesterday from Barbadoes after a pas-
sage of 20 days, bringing a cargo of
molasses.

The S. S. Balaine reached port yester-
day from Bell Island.

Very Familiar Indeed.

Mr. Justice Lawrence, who used to
be a very ardent golfer in his younger
days, and still takes a keen interest
in the game, recently told this story of
a boy who appeared before him as a
witness in a case down for hearing.
He was quite a little chap, about ten
or so, and the judge looked rather
doubtfully at him as he stepped into
the witness-box. Before the oath was
administered he thought he would
make quite sure that the boy under-
stood the awful solemnity of the mat-
ter in hand.

"Are you familiar with the nature of
an oath?" he asked gravely.
"Of course I am," replied the young-
ster sharply. "You don't seem to re-
cognise me, sir; I'm your caddy!"

Red Haired Girls.

"Though red hair of the Titian tint
remains undimmed in lustre at least
until middle age, did you ever," asks
Sir Philip Burne-Jones, the famous
artist, "see a red haired old maid?"
The question has plunged London so-
ciety into a controversy just as "warm"
as the hair concerned. But it is ad-
mitted that Sir Philip is right—the
red haired girls get first to the altar,
I know that real red hair in girls

and women is extremely rare nowa-
days. Burne-Jones explains, "and
anthropological experts say that the
red-haired race is fast disappearing.
A friend to whom I mentioned my one
and only meeting with a red haired
spinster told me that he had always
heard there was not an old maid to be
found whose head was crowned
with the real red hair." Sir William
Ramsay, the noted scientist, says: "I
am inclined to think that few, if any,
girls with the Titian tinted hair fail
to get married. Men like them and
they are quickly married."
