STEWART'S Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number
lords of creation who believes that woman's place is
in the home—and only there. His taste in a wife is
an up-to-date woman who will prove herself a real
companion. He knows that if she is a slave to her
kitchen she can't enjoy the peace or have the interest
in world affairs that a little extra leisure would make
possible; and so he is pleased to eat MRS. STEWART'S
HOME MADE BREAD—the loaf with the home made
flavor.

The smiling, well-nourished kiddie doesn't look as
though suffering because mother is progressive enough
to buy good bread made by a bread specialist, instead
of wearing out her life in the kitchen.

Eat Stewart's Home Made Bread.

Creditors Should be in Possession of Verified Statements.

During this period of readjustment business men
should have a system of book-keeping to be able to tell
at once the condition of their business—in justice to
their creditors and to themselves. We can install a
system of Book-keeping to suit any particular line of
business. All business strictly confidential.
