youngest of the children is a boy of 10 years. To the wife and family of Another Big Bill at the Crescent.

The Crescent Theatre presents for for the week-opening another big and varied programme of pictures and specialties. The picture is "Victory" and is Maurice Tourneur's great picturization of Conrad's novel. "Victory" is a great story. Those who have known it in book form need not be told that. And those who see it in this screen version at the Crescent will realize it quite keenly.

The other attraction is of course, Eddie McGinley, the popular vaudeville comedian, who is sufficient guar-Eddie has arranged a splendid bill for to-night which includes some of his most popular comic hits. He's got a few good ones up his sleeve. Hear him to-night.

What is Your Verdict!

Is it not safe to assume that the Ford Motor Company of Canada, Limited, who manufacture in their own huge perfectly equipped plant practically every part of the Ford car, are the people best qualified to make replacement parts at the lowest price compatible with the high quality which must be main-

Manufacturers of spurious parts, operating as they do on a small scale with limited capital and inadequate equipment, cannot possibly make parts of the same quality or accuracy at anywhere near the low price you have to pay for Genuine Ford Parts. Yet you are asked to believe that these spurious parts not only equal Genuine Ford Parts in quality but can be produced to sell for less!

We rest oour case here. The verdict we leave to you.
