Guelph Evening Mercury

WEDNESDAY EVENING, JAN. 28, 1874

Town and County News

Every elector who knows what is due
to himself as a man of common sense and
intelligence will vote against Hatch.

THE CANADIAN EVANGELIST is a weekly
paper published in Preston, and is the
only German religious weekly published
in Canada. Rev. O. S. Eby, drawer 5,
Hamilton, is the address of the publisher.

The choice of the intelligent electors
of South Wellington lies between David
Stirton, an M.P. of sixteen years' ex-
perience, and Henry Hatch, who knows
nothing of politics.

ROCKWOOD BIBLE SOCIETY.—The annual
meeting of the Rockwood Branch Bible
Society will be held in the Town Hall on
Monday next, Feb. 2. Rev. Mr. Ball, of
Guelph, and other gentlemen will address
the meeting.

Let every elector ask himself if he
wishes to be one of the miserable mi-
nority who will vote to send an unfit man
to Parliament.

Good TEMPLES, ROCKWOOD.—The Good
Temple's meeting, which would have
been held in the ordinary course on Mon-
day, Feb. 2, has kindly been postponed
until the next evening, Tuesday, on ac-
count of the Bible Society's meeting.

ANNUAL MEETING OF THE DUNDAS
AGRICULTURAL SOCIETY.—The annual
meeting of this society was held at
Arthur Village, on Wednesday the
14th inst., when the following Directors
and officers were elected for the current
year:—Robt. Mitchell, President; Wm.
White, Vice-President; James Isles, Sec-
retary; Joseph Draper, Treasurer;
Messrs. John C. Mitchell, Wm. Eden,
Thomas Martin, George Moore, J. F.
Hollinger, John Buschell, John Martin,
David Henry, Directors; and Dr. Hen-
derson and Wm. Peterkin, Auditors.

DUNDAS WESTERN INSTITUTE.—From
a circular just received we learn that an
educational institute under this title has
been established at Dundas. The
Principal is the Rev. E. B. Ryckman,
M.A., assisted by Chas. A. Kingston,
B.A., Rev. John B. Keagay, B.A., and
Mr. Elias 'Kalekale'. It is designed for
the imparting of higher education, and
has also a junior department for boys
not far enough advanced to pass the
Grammar School examination.

CHORAL MUSIC.—A number of gentle-
men interested in the study of music met
on Tuesday evening at the residence of
Professor Maitland to discuss the desir-
ability and practicability of forming a
Choral Society in this town for the study
and practice of high-class vocal music.
It was thought that in a town of this
size, possessing a considerable amount of
musical talent, there should be a good
prospect of success; and the meeting re-
solved in the organization of a society to
be named "The Guelph Choral Society."
The names of the present enrolling
members are as follows:—Messrs. Mait-
land, who is, of course, President and
conductor, they are sanguine of success.

The Sarnia Observer says:—At the
close of Mr. Macleod's speech at the
meeting of the Sarnia Association, he had
been waited on by Mr. Fairbank, of Petrolia,
as a deputation from the oil men of that
place, to represent the depressed condi-
tion of the business, and to suggest the
propriety of doing away with the excise
duty on oil. The revenue derived from
this source, he stated, amounted to
\$200,000; and while admitting the expedi-
ency of relieving the trade of this
burden, he did not know that this amount
of revenue could be dispensed with at
present. He said he would lay the
matter before the Government, however,
as soon as he had an opportunity, and
the claim made by the oil men would
receive due consideration, and relief be
afforded so far as it was practicable to
do so.

WARDEN OF HURON.—At a meeting of
the County Council at Goderich, on
Tuesday, Mr. Wm. Young, Warden of
Colborne, was unanimously elected as
Warden for the County of Huron for the
ensuing year.

WARDEN OF WATERLOO.—At a meeting
of the Waterloo County Council, held
in Berlin on Tuesday, Mr. Abram Tyson,
Reeve of the town, was elected Warden
for the ensuing year.

COLLUSION.—The first masquerade
of the season came off on the rink on
Tuesday. The attendance of spectators
was large, the fair sex forming a con-
siderable majority of those present. The
costumes of the masquers, representing
different nationalities, people, &c., were
good.

Rev. Mr. Fields, of Toronto, has
opened a two weeks' course of lectures
in the Swedenborgian Church, Berlin.

EXERCISES.—Show your appreciation
of humbling by voting against Hatch.

A Vigilance Committee for the pur-
pose of detecting any attempt at fraud-
ulent voting or personating at the coming
election is being formed by Wilkes's
supporters in Centre Toronto, and as the
best available men as detectives are being
engaged. Its ramifications are ex-
tensive. Information already complete, and
it will know no political partisanship. No
matter in whose favor a fraudulent vote
may be tendered, the Committee will
prosecute to the utmost rigour of the law
if a circumstance is detected.

Rev. Gent.—"But you really can have
no serious reason to wish to be parted
from your wife." Rustic.—"Well, no,
sir. I like my wife well enough, but, you
see, she don't please mother."

A French chausseur has invented a
boot with small wheels attached to the
soles as a means of facilitating human
progress. Most men, however, will pre-
fer to wear their clogs on their heads.

The wickedest by in the West is now
reported to be in the East, where he cut off
three of his toes in order that he might not
receive the benefits of the Sunday School
instruction.

Important to Keepers of Taverns, Saloons, and Grocery Stores.

It will be well to bear in mind that the
law now in force provides for the closing
on election day of all places where in-
toxicated liquor is sold, and that a
heavy penalty is imposed for violating
the law in this respect. Grocery stores
wherein liquor is sold under the
operation of the Act as well as taverns,
saloons, &c.

The "Herald" and the County
Official
(To the Editor of the Mercury.)

Sir,—I notice a long rignarole article
in to-day's Herald headed "A Little
Plain Talk." I suppose in answer to my
letter of Monday, but it wanders over
such a field that I will not trouble you to
follow it. I think most of your readers
will for the word "plain" read "vulgar."

Viper, sneak, and such elegant expres-
sions make up the general argument of
the bo-boing Herald club. The writer
of the windy article surely was not pre-
sent when the County Treasurer made
his remarks, or he would have remem-
bered the instant check given by the as-
sembly when he coupled Reformers with
aversion of British connection. It is
true, sir, one gentleman only rose to re-
pudiate the insinuation. Does the writer
forget that the speakers on such occasions
are limited by law, and that however in-
dignant we felt, we could only resent it
by appeal to the press? There were
plenty of gentlemen of reputation and
position who perfectly understood Mr.
Reynolds, and gave unmistakable evi-
dence of their annoyance and disgust,
and all this long article of the Herald
will not alter the position.

With respect to the allusion to Mr.
Donald Guthrie, irrespective of all
politics, there is no analogy whatever.
Mr. Reynolds is a servant of the County,
paid so much per annum to be so many
hours a day in his office and attend to
callers. The County Solicitor simply
gives his advice to the County Council,
to any one who needs it, and when that
is done is free to act as he likes.

The writer in the Herald is very fond
of the expression "what is sauce for the
goose is sauce for the gander." He
has used an abundance, I suppose, of this
commodity that he is compelled to chuck
it into everybody's face who happens to
differ from him or his friends. With re-
gard to his viper allusion, possibly he
may favour the promoters with some of
his choice stock at the forthcoming
meeting. The County Solicitor simply
gives his advice to the County Council,
to any one who needs it, and when that
is done is free to act as he likes.

Yours truly,
A REFORMER.

There is on Roanoke Island (N. C.), a
grapevine called the "Scuppernon,"
by some "The Lord Raleigh Vine,"
which was growing when Sir Walter Lan-
dod that island, 1610. It was 3 in-
ches in diameter, and was spoken of as
the largest grapevine in the world. It
now covers one and a half acres, and last
year yielded forty-six barrels of wine. It
yields 24 gallons in all, which sold for \$2
per gallon, yielding \$48. There is a Sen-
permong grapevine in Terrill county,
North Carolina, which is said to be larger
than the Raleigh vine, and to produce at
least a fourth more. This Terrill vine
produced last year sixty-three barrels of
wine, 2,520 gallons in all, which also
sold for \$2 per gallon, yielding the hand-
some sum of \$5,040.

If the electors want the town of Guelph
to be represented by a man who will be a
laughing stock in Parliament, Mr. Henry
Hatch will just suit them.

SOUTH HURON.—The nomination for
the South Riding of Huron was held in
Yarvis, Jan. 23. Mr. M. C. Cameron, the
Government candidate, and Mr. Thomas
Greenway, Opposition, are the candi-
dates.

Wellington County Council.

Jan. 27, 1874.
The Council of the County of Well-
ington met to-day at 2 p.m. The members
elected are as follows:—

MUNICIPALITY. REEVE. DEPUTY-REEVE.
Amaranth, W. B. Jolly Jas. Golden
Anglo, J. Stevenson M. C. O'Donnell
Village J. F. Hollinger
Elora Robt. Dalby W. Duffield
Johns River John R. Wm. Foster
Cassara D. McMillan

HARRISTON. A. Melickjohn

Maryboro' J. Robt. Wm. Ogden
Minto J. Robt. M. G. Miller
Mount Forest R. Kilgour J. Broadfoot
Nicholas John Mair
Orangeville B. McKim T. McManus
Peel Hugh Roberts J. McDowen
Pittsburg Wm. Leslie Geo. Swan
Clifford A. S. Allan Wm. Nicol

The Reeve of Peel and the Reeve of
Orangeville were absent.

The Clerk explained that the certifi-
cate of the Deputy Reeve of Maryboro'
was not properly drawn up, that the
Reeve and Deputy Reeve of Luther, and
the Reeve of Mount Forest had not filed
their certificates, that no return had been
received from Orangeville, and that the
Deputy Reeve of the village before
an election can be legal.

Mr. Allan, the Reeve elect for Clifford,
said they were aware that three months
had not elapsed between the incorpora-
tion of the village and the election, but
the village had been separated from the
rest of the Township, they had held
their election, and it was for the Council
to say what should be done.

The Clerk thought the most prudent
course for the Reeve of Clifford to adopt,
was not to vote at present, until the
Council had given an opinion on the
matter.

Mr. Henderson then moved, seconded
by Mr. Hamilton, That John Mair, Esq.,
be Warden.

Mr. Mair hoped they would withdraw
his name. He had acted as Warden for
five years, and he thought it was time
some other party should occupy the
chair.

The motion was accordingly withdrawn.
Mr. Stevenson then moved, seconded
by Mr. Wm. Leslie, That James Laidlaw,
Esq., be Warden. Mr. Leslie in second-
ing the motion, paid a high compliment to
Mr. Laidlaw, and said he felt sure that
if elected Mr. Laidlaw would discharge
the duties with ability and integrity.

It was then moved by Mr. Hamilton,
seconded by Mr. Henderson, that John
Ree, Esq., be Warden.

Mr. Stevenson wished the mover and
second to withdraw his name.

Mr. McManus said that the North had
a good claim for the Wardenship, and
that he would press his motion.

The vote was then taken, Mr. Laidlaw
being first, when 17 voted for him. This
constituted a majority of the Council
present, and the Clerk therefore declared
Mr. Laidlaw Warden, who after making
the customary declaration, was escorted
to his seat by Mr. Leslie.

Mr. Laidlaw thanked them for the hon-
our they had done him, in electing him
to preside over the deliberations of the
Council. He could assure them that he
would have shared in the work be-
fore him was he not assured that he
would receive the cordial assistance and
co-operation of the members. He was
not aware of any other matter beyond the
usual routine of business, but whatever
might come up he was sure would re-
ceive the consideration it deserved. He
closed the Council.

He again heartily thanked them for the
again heartily thanked them for the
honour they had done him.

Mr. Leslie, seconded by Mr. Melickjohn,
moved that the Reeve of Clifford be al-
lowed to take his seat.

Mr. Leslie read the clause in the Act,
showing that they had no power in the
matter.

Mr. Darby suggested that in the case
of a close vote, if the Reeve voted, the
question as to the legality of his vote
might arise.

The motion was not pressed.
Mr. Gibson, seconded by Mr. Mitchell,
moved that the Reeve and Deputy of
Maryboro' be allowed to take their seats
till the proper certificates be procured. Carried.

On motion of Mr. Leslie, Mr. E. Newton
was appointed auditor.

The Warden appointed Mr. W. S. G.
Kewell the other auditor.

The Clerk handed in his affidavit that
he had examined the books of the re-
turning officers, and found that the vote
on the bonus to the Credit Valley By-
law gave a majority of 255.

A motion for the appointment of a
Committee to strike standing Commit-
tees was moved by Mr. Mair, but after-
wards withdrawn.

On motion of Mr. Leslie the Council
then adjourned till Tuesday next at 2
p.m.

THE ANNUAL MEETING OF THE NORTH WELLINGTON AGRICULTURAL SOCIETY WAS THIS YEAR HELD AT CLARK'S HOTEL, ARTHUR VILLAGE, ON WEDNESDAY THE 21ST, JOHN PRAIN, ESQ., PRESIDENT, IN THE CHAIR.

ing been read and adopted, the meeting

gineer, was nominated in a Cincinnati police

to Animals.

Mr. Joseph Thompson, American re-

at the meeting in St. James' Hall. He
traced the history of religious dissensions

system of secular education, which he
declared was one of the most effective
means of combating ultramontanism.

The Times this morning alludes to Mr.
Thompson's speech in terms
