...committee composed of Messrs. Dimpsey, Leslie, Mattheison, and Dr. Bell was appointed to inspect the samples of fruit; also a committee to draw up questions for discussion, composed of Messrs. Bucke, Keeler, Dr. Hulbert, W. White, and P. Thompson, of Ottawa. The party composed of the gentlemen present at the Convention then took carriages and proceeded to the residence of Hon. R. W. Scott, in the County of Ottawa, where they partook of a luncheon composed principally of fruits. Afterwards the visitors were conducted through the honorable gentleman's orchard, which is one of the best appointed in the country. The gentlemen pronounced the fruits, grapes, (fifteen or twenty varieties), apples, &c., of excellent quality, and highly congratulated Mr. Scott on his success in the Orchard. The apples suited to this climate were of a superior quality, and more luxuriant than those raised farther west. The party returned to town and held an evening session, at which committees were appointed to examine specimens of fruit, after which parties were catechised as to their mode of managing their orchards. The Association adjourned until Wednesday.

PERRY DAVIS PAIN-KILLER.—Its effects are almost instantaneous, affording relief from the most intense pain. It soothes the irritated or inflamed parts and gives rest and quiet to the sufferer. It is eminently the people's friend, and every one should have it with them, or where they can put their hands on it in the dark if need be.

Mr. T. W. Smith has purchased the Malt House property in Elora, for the sum of \$1,670, the property being subject to two mortgages for the sum of \$2,170.

Nearly three hundred appeals have been made in London, Ont., for the correction of the Assessment Roll.

A special prize of \$5 for the best pen of sheep, not less than five ewes and a ram of any age or breed, will be given at the Fall Show of the Elma and Wallace Agricultural Society.
