AT THE THEATRES

The Lyric Theatre
"Eagle's Nest" will be the offering at
the Lyric theatre for Thursday, Fri-
day and Saturday matinee of this week
by the Eckhardt company. This de-
lightful comedy-drama of Western
life was one of last year's Eastern
hits and will be seen in Calgary for
the first time when presented by the
Eckhardt company. It is all clean and
wholesome; its atmosphere is refresh-
ing, and there is a thrilling sugges-
tion in the story if unfolded. Its humor is
crisp, quaint and occasionally cracks
like a whip. Its rugged epigrams are
delightful, and its bits of homely phi-
losophy are remembered and laughed
at over and over again. It will be
tastefully ornamented with special ac-
tress.

The Orpheum Theatre
Starting today the new bill "The
Eagle's Nest" will follow "McCa-
bin in Paris" for honors in the laughing
line.

Harry Bernard, the capable Irish
Comedian, will handle the first part
in the piece, which is entirely to his
liking, and his able assistant, Jim
Rowe, will be in line with another
good German part.

The chorus will go through a num-
ber of new songs and dances that will
be a treat.

Starland
Last night one of the best automo-
bile pictures, concluding with a thrill-
ing chase and a number of hand-to-
hand encounters between the police and
an escaping burglar, was shown at the
dainty theatre on Eighth avenue. The
whole bill is full of excellent pictures,
and it is a real pleasure to sit in there
for an hour or so and comfortably
watch various scenes throughout this
extraordinary world of ours. The
Starland patrons will be delighted to
hear that half past eight, the evening
chairs have arrived, and the manage-
ment hopes to be able to install them
in a day or so, and it can quite well
be understood what an improvement
these comfortable and up-to-date
chairs will be.

Ladies' matinee each day from 2 to
5 p.m. Extra pictures this after-
noon are "Crocodile Hunting" and "The
Sleepers."

Sherman's Rink
The Pax Concert company, which
visits us on Monday, has been dupli-
cating the tremendous success, with
the same program, in other cities. Pax
is in himself a host, and with the
talented artists who surround him, a
treasure in store for our citizens. As
mentioned in the sketch of last evening,
Pax has perhaps no equal on the concert stage
today. His humorous impersonations
have caused "these days" to laugh and
be merry. Mr. Pax's company is as
heretofore composed of only the very
best artists, in fact, two were with
him on his tour of the west last sea-
son.

Installing the Lights
Ald. George E. Wood says that favor-
able progress is being made in the
effort to get local business men in-
terested in the scheme to install orna-
mental lights on Eighth avenue. Among
the individuals and concerns that have
most recently announced their inten-
tion to install the lights are the Cana-
dian Pacific railroad, Dominion bank,
Mr. John Macdonnell, owner of the
Macdonnell block, Mr. A. L. Cameron,
McFavish Bros., Imperial bank and
Hudson's Bay company.

Western Canada Fire Insurance Co., Ltd.
At a directors' meeting, held in the
company's office, 512 First street west,
on Monday, May 3rd, the following
officers were elected for the ensuing
year:

President—Col. James Walker.
Vice president—E. McCormick.
Treasurer—John Craig.
Secretary—P. R. Lyon.

Members—J. E. B. Smith, J. E. B. Smith,
Francis Adam, Camrose; H. A. Day,
Lacombe; David Warnock, M. P. P.,
Pincher Creek; J. W. Wolf, M. P. P.,
Cardston, are also members of the
board.

It was further resolved to make a
call of 5 per cent on the shareholders,
payable on 15th June next, for the
purpose of providing sufficient addi-
tional funds to enable the company to
obtain a Dominion license and ex-
tend its operations.

The "Western Canada" in its state-
ment for last year, shows a surplus to
policyholders of \$241,970.12.

SOME MONEY NEEDED FOR
THE NEW CITADEL
Salvation Army is Anxious to Raise
About \$3,500

Staff Capt. Coombs, who is in charge
of the work of the Salvation Army in
the city, is very anxious to raise \$3,500,
the balance needed to meet all bills in
connection with the building of the
new auditorium. Staff Capt. Coombs
has great faith in the citizens of Cal-
gary and therefore feels quite sure
that this amount will be given. He
believes that there is a large num-
ber of the working class who would
be willing to give \$1, and that by can-
vassing from door to door most every-
one would be glad to donate at least
that amount.

The work of the Army is mostly
among the poor. Reforming the
drunkard, lifting up the fallen woman,
caring for the little children, visiting
the sick and dying in the hospitals,
conducting services in the falls, etc.

And Staff Capt. Coombs feels sure
there are as many whose hearts are
in sympathy with this noble work, and
there are dollars needed, and that the
billion will be lifted and allow the
Army to go on with their good work
with a free hand.

Donations may be sent direct to
Staff Capt. Coombs, or one of the
staff of workers, who will be pleased to
call at your door.

Surrey Beat Warwickshire
London, May 7.—In a cricket match
today between Surrey and Warwick-
shire, the former won by an innings
and 77 runs. The score was 227 to
74 and 116.

Ottawa Has Horse Show.

Ottawa, May 4.—Ottawa's first an-
nual horse show was formally opened
in the presence of the elite of the
city by Earl Grey, Howick pavilion,
where the show is being held. It is said
by visitors to be the finest for the
purpose of the ring of the three eastern
horse show cities, Ottawa, Toronto and
Montreal.

The opening ceremonies were very
brief, the excellency merely marching
to the judges' box, accompanied by
Mayor Hopwell and the stewards of
the ring, and declaring the show open.

Lawn Tennis
At a general committee meeting of
the Calgary Lawn Tennis club held
Tuesday night at Messrs. Middleton,
Ross and company's office, it was de-
cided that the courts would be open
for play next Saturday, May 7, but the
official opening day would not take
place until the following Saturday,
May 14. A considerable lot of work
has been done in connection with the
courts, new shale, having been pur-
chased from the Brickburn quarries,
and spread over No. 1 and two courts.

This shale is of the same quality as
the shale originally used in laying out
the courts, and is considerably better
than the shale since used in repairing
them. Courts 3 and 4 have also been
touched up, no members being per-
mitted to have as good courts to play on as
any in Western Canada. The club has
again secured the services of T. New-
ell last year's groundman, who is
working hard watering and rolling the
courts to get them as hard as possible
by Saturday. A sub-committee has
been appointed to look for a suit-
able site for new courts which will be
sufficiently large to enable the club
to have about twelve courts in order to
cope with the large number of appli-
cants for membership.

The following were elected playing
members: Mrs. Kestel, Misses G. C.
Vidal, H. F. Mason, L. McConnell, E.
A. Pearson, I. G. Batchelor, Messrs.
T. E. Bacon, A. H. Edwards, F. A.
Popplewell, C. J. Colville, L. Walsh, A.
Piereson, M. D. Fraser, D. F. Toole, J.
E. A. Macleod, G. C. MacMurray, R. W.
MacMurray, H. T. Shuffield, G. D. Bay-
lison, W. H. Jackson, D. P. McLean,
L. E. Skinner, R. A. Brandon, E. Par-
ren, W. J. Mills and Dr. F. L. Hazard.

Hon. playing members elected:
Messrs. H. A. Elton, F. L. Hazard,
J. E. Macleod, G. L. Foulke.
