THE ANNUAL REPORT.

The president submitted the following report of the directors:
The directors beg to present to the shareholders the annual statement of the bank's business as at 31st May last.

It will be observed that the earnings have fallen somewhat short of the previous year. This has been due in large part to the generally lower rates of interest prevailing at New York and other loaning centers.

The directors have nevertheless been able, through recoveries realized in some of the securities formerly written down, to add \$200,000 to the Reserve Fund, in addition to writing \$50,000 off banking premises and making the usual contribution to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the credit of Profit and to the Officers' Pension Fund, carrying for ward a balance to the retirement of The Officers' Pension Fund, the profit of Profit and to the Officers' Pension Fund, the profit of Profit and to the Officers' Pension Fund, the profit of Profit and the profit of Profit and the profit of Profit and the profit of Profi
