

JUNIOR ENTRIES OUT- NUMBER SENIORS AT MEET

All Is Set For School Events
At Queen's Park On Satur-
day—Medals Arrive.

All is in readiness for the big school track meet at Queen's Park tomorrow afternoon at 1 p.m. The trophies and medals have arrived, and are of the new design adopted by the executive of the Western Ontario Secondary Schools' Association. These medals are particularly attractive and will be much prized by the winners in the various events.

The senior individual championship shield has been donated by Mr. A. E. Silverwood, and the junior shield by Major George M. Little. In anticipation of the breaking of several records five gold medals have been procured. These have been donated by Mayor Cameron Wilson, Mr. J. S. Barnard, Orth Limited, Hollins, Printer, and the London Printing and Lithographing Company.

The association is very much indebted to these people for their kindness in helping to make the meet an excellent success.

A glance at the entries for the junior championship will convince the most casual observer that the competition will be unusually keen. The entries are slightly more numerous for the junior events than for the seniors. This is probably due to the fact that more of the smaller schools have entered the meet this year than formerly. Below is given a list of the competitors in the various events.

W. O. R. vs. United Vets, Carling Heights, 6 p.m.
W. O. R. vs. Junior Rovers—Journey to St. Thomas to play Junior Rovers on Saturday.

These are the first games in the second half of the first series for the Brisco trophy.

A special meeting of the London City Soccer League will be held in the Monday night at 8 o'clock for the purpose of electing a new secretary-treasurer in place of R. G. Sinn, who has suddenly resigned.

The first W. O. R. make their second trip to St. Thomas on Saturday.

Where they will meet the St. Thomas United Vets in a London Soccer League game. From all reports the football fans of the railroad city will turn out in full array to welcome the local Blue and Whites. The same victory is expected as they snatched from M. C. R. last Saturday by a score of 3-2, and in doing so, gave one of the best exhibitions of soccer witnessed in these parts.

The W. O. R. are in good condition

and have a hunch that they will be able to repeat the dose against the Vets. The locals will leave here at 4:20 p.m. by L. and P. S. and the game will commence in St. Thomas at the armory grounds at 6 p.m. The new addition to the team will be E. Howard, who has played good football during the past year near Manchester, England.

The following St. Andrews players

are asked to be on the grounds at 5:30: Adamson, Wilson, Knight, D. Smith, Croall, J. Smith, Owen, Holt, Whitelaw, Short, Crofts, Broomhead, Ridgway, Morgan, Mackintosh, Peebles, H. John-Turner, Potter, Clerk, Barcombe, C.

SIX NATIONS TEAM SENDS WARNING

Indians Who Open Lacrosse
Season Here Saturday Add
Novelty To Game.

Please prepare the grounds in

front of the grandstand for Saturday, as we will a man and scalp him and drag his body away. This was the shivvy advice contained in a letter received from Chief Longboat, whose team of Iroquois Indians open the lacrosse season at Tecumseh Park Saturday, and which had President T. H. Yull of the local club feel his top thatch for confirmation, as he read it.

The Indians are natural lacrosse

players and are always in condition, one of the big factors in the game, so they can be depended to give the locals an argument right from the opening whistle at 2 o'clock Saturday afternoon. Between periods, the visitors will give exhibitions of war dances, scalp dances, green corn dances, a less blood-curdling performance than the two former. Full war paint and scalp knives will be the stage scenery.

The Six Nations braves play in St.

Thomas on Monday, in Chatham on the 24th, and in Sarnia at a later date.

EXPECTS BETTER CONDITIONS SOON

LONDON, Eng., May 18.—(Can-

adian Press Cable.)—Sir A. Griffith-Boscawen, minister of agriculture, at the annual meeting of the council of agriculture today, reviewing the agricultural position of England, pointed out that in the last few months there had been an extraordinary fall in prices, due to the general depression, but he did not believe that the acute depression would continue.

Butler, G. Fraser, H. Watkins, Billie

Friend and C. Hemmings will accompany the team.

St. Andrews and St. Thomas M.C.R.

will also stage a game on Saturday at Springbank Park, commencing at 6 p.m. The railroad crew are putting a strong team in the field, and hope to get away with some points. The Scotmen will also put up a determined effort.

The following St. Andrews players

are asked to be on the grounds at 5:30: Adamson, Wilson, Knight, D. Smith, Croall, J. Smith, Owen, Holt, Whitelaw, Short, Crofts, Broomhead, Ridgway, Morgan, Mackintosh, Peebles, H. John-Turner, Potter, Clerk, Barcombe, C.

THISTLES TO HOLD FINAL EUCHRE

The last Thistle Club euchre party of the season will be held tonight, and a large attendance is expected. The interest has been intense throughout, featured by keen contests. A. W. Slatter at present leads with the highest average, closely followed by B. Dawson, A. Connor and C. B. Hillier. G. English leads the lone-hand specialists with 18, and L. Jones and A. W. Slatter are runners up with 15 each.

It was announced by the bowling

games committee that the games between the president and vice-president will be staged on May 24 at 2 p.m. The greens are also open for friendly games at 10 a.m. An earnest effort is being made to have all the new members present, and give the season, which so far promises to be the best in the history of the club, a good send-off.

If the earth turned around in

about an hour and a half instead of 24 hours things would have practically no weight the equator.

MONARCH VISITS SOLDIERS' GRAVES

LONDON, May 18.—(By Canadian Press Cable.)—His Majesty King George has written a letter with regard to his recent visit to the war graves, in which he says:

"His majesty trusts that the high

commissioners and other representatives of the dominions will convey to their people the great satisfaction he expressed to them personally at the care bestowed on the graves of those who lie so far from their homes."

"In all the cemeteries visited by his majesty the dominion and British graves lie side by side. The king assures the people overseas that these graves will be reverently and lovingly guarded. It is a satisfaction to his majesty that the Imperial War Graves Commission is so constituted that these graves may be honored for all time."
