FOREIGN PERIODICALS.

REPUBLICATION OF
THE LONDON QUARTERLY REVIEW
THE EDINBURGH REVIEW,
FOREIGN QUARTERLY REVIEW,
THE WESTMINSTER REVIEW,
AND
BLACKWOOD'S EDINBURGH
MAGAZINE.

The above Periodicals are reprinted in New-York
immediately on their arrival by the British steamers,
in a beautiful clear type, on fine white paper, and
are faithful copies of the original. Blackwood's
Magazine being an exact fac-simile of the Edinburgh
edition.
The widespread fame of these splendid Periodicals
renders it needless to say much in their praise. As
literary organs, they stand far in advance of any
works of a similar stamp now published, while the
political complexion of each is marked by a dignity,
candour and force of reasoning not often found in works
of a party character.
They embrace the views of the three great parties
in England—Whig, Tory, and Radical.—"Black-
wood" and the "London Quarterly" are Tory; the
"Edinburgh Review," "Whig," and the "Westmin-
ster," Radical. The "Foreign Quarterly" is purely
literary, being devoted principally to criticisms on
foreign Continental Works.
The prices of the Reviews are less than one third
of those of the foreign copies, and while they are
equally well got up, they afford all that advantage
to the AMERICAN over the English reader.

TERMS.
PAYMENT TO BE MADE IN ADVANCE.
For any one of the four Reviews, \$3.00 per ann.
For any two, do 5.00
For any three, do 7.00
For all four of the Reviews, 8.00
For Blackwood's Magazine, 3.00
For Blackwood's & the 4 Reviews, 10.00
CLUBBING.
Four copies of any or all of the above works will
be sent to one address on payment of the regular
subscription for three—the fourth copy being gratis.
Remittances and communications must be
made in all cases without expense to the publishers.
The former may always be done through a Post-
master by handing him the amount to be remitted,
taking his receipt and forwarding the receipt by mail
Post-paid; or the money may be enclosed in a letter,
Post-Paid, directed to the publishers.
N.B.—The Postage on all these Periodicals is re-
duced by the late Post-Office law, to about one third
the former rates, making a very important saving in
the expense to mail subscribers.
In all the principal cities and Towns throughout
the United States to which there is a direct Rail
Road or Water communication from the city of New
York, these periodicals will be delivered FREE OF
POSTAGE.

CHARLOTTE COUNTY GRAMMAR SCHOOL.

THE Directors of the Charlotte County Grammar
School inform the Public, that Tuition in the
above Institution is now given at the following
rates:—
Classics, and Mathematics, £1 0 0 per Quarter.
E. Grammar, Geography &c. 0 15 0
Reading, Writing, and " 0 10 0
Arithmetic.
The Directors trust the above low rates of Tuition
will meet with general approbation. They also con-
fidently recommend to public attention the efficient
state of the School; the Principal having, from per-
sonal examination of the best schools in England,
been enabled to introduce many improvements in the
art of teaching; and having engaged at his own
expense a competent Assistant, in order that there
might be every facility in carrying out a thorough
and complete system of education.
These efforts to increase the utility of the Institution,
it is hoped, will be met by a corresponding de-
gree of patronage on the part of the Public.
