A PRETTY AND FASHIONABLE WEDDING AT CENTREVILLE
From the Trenches in Belgium

EVERETT—GRAHAM
(Continued from page 1)
A very pretty and fashionable wedding took place at Centreville, Digby County, on the 29th of September, when Ida May, daughter of Mr. and Mrs. Tuttle Graham, was united in marriage to Mr. W. Laurie Everett of Bridgetown. The bride was given away by her father and looked charming in a dress of brocade satin with overdrift of heavy silk embroidered net, and wore orange blossoms. Mrs. Glen Dargie of Round Hill, sister of the groom, performed the duties of bridesmaid, and looked very dainty in a dress of pale blue silk. Mr. Glen Dargie was groomsmen. Miss Lillah Boutiller of Centreville very beautifully rendered the wedding march. The wedding took place at the bride's home which was very tastefully decorated with large arch of cut flowers and ferns, also potted plants of all kinds, bunting, flags and white satin ribbon. The ceremony was performed by the Rev. Joseph Hale, pastor of the Methodist Church. Following the ceremony a very dainty wedding luncheon was served after which the bride and groom accompanied by friends left amid showers of rice, by auto to Digby, where they took the Halifax train. The bride's travelling suit was of navy serge with large pan velvet hat to match. After their return they will reside in Hill Grove for the winter months, where Mr. Everett has accepted a position as engineer for H. T. Warren. Mrs. Everett will be greatly missed in the community as she was a popular lady in all church and social affairs. She was a member of the Methodist church and a worker in the Sunday School, also a member of the choir and Temperance lodge and was considered one of Centreville's best rectifiers. She was also Proprietress of the Dakin House and made many friends with the travelling public, who wish her much happiness and prosperity. Among the guests who were present were: Mrs. Mary Everett, Miss Lily Everett, Mr. Charlie Everett, Bridgetown; Mr. and Mrs. Glen Dargie, Round Hill; and many others from Sandy Cove, Digby and Centreville. Their many friends extend to them good wishes, and all the happiness this world can give. (Digby Courier please copy.)

MISS IDA DURLING WRITES AN INTERESTING ACCOUNT OF HER TRIP TO CALIFORNIA

Dear Mrs. Abbott:—
We spend so much time sight-seeing that I get very little time for letter-writing. Needless to say we are having a delightful time after a very nice trip. We left Boston on the 9th of September and our first stop was at Niagara Falls. From there we went to Chicago and spent a day. We visited the stock yards and saw 12000 horses which were to be shipped for war purposes. We spent some time in Lincoln Park, the best in Chicago, containing a wonderful Zoo. Our next visit was at Denver and Colorado Springs. At the latter place we visited the "Garden of the Gods," made up of high peaks on which are rocks resembling queer shapes as "The Lion," "Eagle," "The Mushroom," "Siamese Twins," "Balanced Rocks," "Cathedral Spires," and "The Old Man." The gateway of the Gardens is guarded by two of the largest rocks to be seen there. Up in the peaks is found "The Cave of the Winds," reached by 189 steps from the entrance. There are 16 rooms in the cave. We visited Glen Eyre, Pike's Peak and the Cliff Dwellers, who are a race of Navajo Indians. They went through their dance for us. On leaving Colorado Springs we passed through the Royal Gorge where in many places the rocks rose precipitously above us to a height of 2700 feet. We visited Salt Lake City. A beautiful city. The streets are 132 feet wide. We went to the Mormon Tabernacle and heard the organ which is considered the most wonderful instrument in the world. Our guide took us to Brigham Young's grave, also three of his nineteen wives. I took several snapshots; one of his home where he lived with eleven wives. At Rich, Cal., we saw the monument erected last August to the memory of Nancy Ann Bailey as the first white woman who came to the West with the Pioneers in 1849. We have spent many days at the fair. We saw the Oddfellows Parade consisting of 10,000 Oddfellows and Rebekahs. They took the California Building. It took on 200 and forty minutes for the parade to pass. They were divided into 100 or more divisions each representing a different trade. Each division had its own flag and banner. The Rebekahs had a bee hive, little doves. Next we went on our trip south to Fresno, Los Angeles and San Diego. We shall stay three months and perhaps one year. We have not decided.
Your friend,
INA.

SIR CHARLES TUPPER DEAD

The Right Hon. Sir Charles Tupper, G. C. M. G., Bart., passed away on Saturday, the 30th ult., in the 95th year of his age, at The Mount, Beverly Heath, England, where he has made his home for some years. He was the oldest son of the late Rev. Charles Tupper, D. D., Baptist Clergyman. Sir Charles was educated and graduated M. D. at Edinburgh University in 1848. He began practice as a physician in Cumberland County, Ont., soon entered the political arena in which he continued a prominent figure, until the close of his active life.

State Funeral Will be Held

Ottawa, Nov. 1.—Sir Charles Tupper is to be accorded in death the honors due to a statesman of his eminence. It is proposed that a state funeral be held at Halifax. Word has been received that the body is to be placed side by side with the remains of the late Lady Tupper in Camp Hill cemetery. The funeral under state auspices will be attended by practically all the members of the cabinet and will be conducted with that display of circumstance befitting such an occasion. The date will depend upon the arrival of the ship bearing the body of the deceased statesman.

INDISCRIMINATE COLLECTIONS FOR REGIMENTAL FUNDS FORBIDDEN

Editor Monitor:—
Sir:—It has been brought to the attention of Headquarters that Units organized for Overseas Service are soliciting subscriptions from the public for the purchase of articles of equipment, band instruments, etc., and the creation of a Regimental Fund, and it has been reported that some Units have charged an admission fee to witness parades, etc., for such purposes. The practice above referred to does not commend itself and no appeals and subscriptions will be permitted except with the express permission obtained beforehand from the Militia Council. Units of the Overseas Forces are supplied by the Department with everything for their equipment, and it should not be necessary to appeal to the public for assistance.

Brigadier-General,
Adjutant-General

COMPLETE PROHIBITION FOR NOVA SCOTIA ON EXPIRATION OF EXISTING LICENSES, MARCH 15, 1916

The time has more than come for the overthrow of the liquor traffic in Nova Scotia. To accomplish this, we must have prohibition in Halifax and efficient enforcement of law throughout the province. Halifax is the key to the situation, the stronghold of liquor interests. The licensed bars of Halifax, the wholesale liquor establishments and the influence of the "trade" work incalculable injury to the city and Province.

In 1894 the people of Nova Scotia by a vote of three to one declared for prohibition for the Province, and would, no doubt, if now called upon, enter a more decided protest against the traffic. The war has emphasized the fact that DRINK is striking at the efficiency and character of the people and the Government should fall in line with the patriotic sentiment of the Province and abolish the traffic.

We do not desire half way measures. Shortening the hours of sale, or other restrictions, will not satisfy. The traffic must be destroyed.

The Government would win the approbation of the vast majority of citizens by announcing at an early date that on the expiration of existing licenses, March 15th, 1916, they shall not be renewed, and that the city of Halifax, as well as the rest of the province, shall not have any liquor establishments under protection of law.

There is now ample time for the Government to make the required provision to this effect and to notify all parties interested, so that the city will not depend upon any revenue from liquor licenses for next year, and the present licenses may make business arrangements necessary by reason of the coming abolition of their licenses.

It may be here noted that by solemn contract entered into, in terms of the Provincial Liquor License Act, by the liquor dealers and the City Council, the liquor dealers may do business, until the date mentioned. The Province is now in partnership with the liquor interests. This partnership should be legally broken until March 15th, 1916. In the meantime, as heretofore there is opportunity to work night and day to inculcate the principles of total abstinence from alcoholic beverages.

In the name of our Churches, and other agencies, on record for the suppression of the liquor traffic, in behalf of our sailors and soldiers and civilians whose efficiency and character are being injured, and for the sake of men, women and children suffering and crushed under the burden of drink, we appeal to Premier Murray and his Government to take immediate action with a view to the complete abolition on March 15, 1916, of the liquor traffic in the Province.
H. R. GRANT,
General Sec'y. N. S. T. Alliance.

The Woman's Suffrage Movement was defeated at the recent election in New Jersey.

The "World," New York, represents the loss by a pointed cartoon. A company of bloated, bear-eyed men are seated at a table each with his glass of liquor. One of them referring to the election says, "Well boys, we saved the home."
If Halifax does not come under the Nova Scotia Temperance Act, by the vote of the Legislature at its next session, it will be because of the Rum interests. And the supporters of this business will be able to say, "Well boys, we saved the City."
Are the intelligent people of Halifax willing that this should be said?
—Ed. Monitor.

A druggist can obtain an imitation of MINARD'S LINIMENT from a Toronto house at a very low price, and have it labelled his own product. This greasy imitation is the poorest one we have yet seen of the many that every Tom, Dick and the Devil has tried to introduce. Ask for MINARD'S and you will get it.
