

FOR YOUNG MEN.

THE YOUNG MEN'S MEETING has had a very high record of attendance during the summer. The third Saturday in September it reached 125. Live topics, practical addresses, good singing and definite results give this meeting the foremost place in our Association work. If you have never attended, come next Saturday evening.

THURSDAY EVENINGS.—

The Strangers' Meeting held during the summer months has been inspiring to the workers. The heart of the stranger young man has been cheered by the old, old story of Jesus and his love,—and some have been born again. From May to October, when so many stranger young men arrive in the city, such a service can be made a great blessing.

SUNDAY AFTERNOON AT 3.—For one year lessons from lives in the Old Testament were studied. For this fall and winter, studies are taken from St. John's Gospel. The Committee, with Mr. Frank P. Ritchie as chairman, and Robert McMurtrie as secretary, are determined to double the attendance. The September average was 73. There are not a few who testify that life and light has come to their lives through these afternoon studies. Question Drawer first Sunday in each month. Lesson on Social Purity on November 4. October topics:—

- Oct. 7.—“Jesus' First Miracle.” John ii., 1-11.
 “ 14.—“Jesus and Nicodemus.” John iii., 1-18.
 “ 21.—“Jesus the Water of Life.” John iv., 5-26.
 “ 28.—“Results of confessing Jesus.” John iv., 27-42.

THE BOYS' DEPARTMENT.—The September meetings have had an average attendance of 80. The Committee are most anxious to develop the various sub-committees of this department so as to make it a miniature Association. It has a separate membership fee of \$1. Subjects are as follows:—

- Oct. 7.—“Repentance.” 2 Cor. viii., 9-10; Luke xv., 18-20.
 “ 14.—Word Study, “Forgiveness.”
 “ 21.—Short Addresses, “Christ our Saviour.”
 “ 28.—“Praise” for the past. “Prayer” for the future. Psalm ix., 1-11.

WORKER'S TRAINING CLASS will meet for organization Thursday evening, October 4. A limited number of members received. This is a “pledged” class as to attendance and study. Call at the office for outline of lessons.

MEMBERS' MONTHLY MEETING, Tuesday evening, October 16th.—Brief Reports of the Work, Electing Members; Rev. L. H. Jordan will give a report of World's Conference at Stockholm; Musical Selections, Refreshments.

CHINA INLAND MISSIONS.—Rev. J. Hudson Taylor has created a very deep interest in Foreign Missions by his addresses. He sailed from Vancouver on October 3rd, for China, with 14 Missionaries. Others are preparing to follow. Amongst them is one of our members and workers—Mr. W. S. Louson, who has been accepted and expects to leave in November. His conversion occurred in the Boys' Meeting ten years ago. During the past three years he has been one of the most active Christian workers in the City, taking an active place as a Leader of the young people in Dominion Square Church. He will carry with him the sympathy and prayers of the Association, and also a large circle of Christian workers in the City. We trust this is just the beginning of a movement in the City which will call out many Christian workers into the Foreign Field. Mr. D. ROUGH, Acting Secretary Hamilton Association, also goes to China in November. Mr. Taylor agreed that the next party going out would hold their Farewell Meeting in Montreal.
