THE CANADA LIFE ASSURANCE COMPANY, HAMILTON,

CONTINUES to grant Assurances upon Lives, and to act generally in any of the great variety of modes practised by Life Offices. It is the only Canadian Company as yet in operation, and whose Funds are invested solely in this Province at high rates of compound interest, and on the very best Securities, instead of being drained therefrom and invested at the barely remunerative rates obtainable in Great Britain; this, together with the past and daily increasing success of the Institution (literally unequalled by any British Company) fully justifies the Directors in repeating their former assertion, that the advantages it offers cannot be approached by any Company doing business in this Province.

Rates and full particulars may be obtained of
