

OUR GRADUATES.

WE notice by *The Scotsman* that Rev. J. A. Morrison, B. A., preached on Feb. 14th in St. John's Parish Church, Edinburgh; and also presided at a noon prayer meeting in St. Giles Cathedral.

A short time ago we had a visit from the Rev. C. J. Hastings, of Constable and Westville, in the State of New York. He has been there for two years, and during that time the membership of the church has been doubled. Mr. Hastings in the dining hall gave us a speech, in which he assured us, with eloquent language that occasioned bursts of applause, of his interest in his *alma mater*, and of his warm attachment to Canada. We wish him continued success in his work.

Rev. John Anderson, B.D., is pastor of St Stephen's Church, N. B. The annual congregational meeting was recently held. After the election of trustees for the current year, a very satisfactory financial statement was presented by the treasurer, which showed that the total amount raised by the congregation during the past year was \$2,688.

The following extract from a letter written by one of our graduates in Europe is interesting: "My college classes are all I could desire, and I hope in future years to realize some substantial benefit from this experience. At the same time I am only now perhaps beginning to appreciate in due measure such men as our own in Montreal, and have yet to find anywhere a professor who can begin to equal Dr. MacVicar as a teacher. I am glad that it was my privilege to be his pupil for some years."

We regret to state that in the latter part of January Rev. T. Bennet of Taylor Church, in this city, was laid aside from his work, by a severe attack of pleurisy. During his illness the students of this college furnished his people with pulpit supply. We are glad to state that Mr. Bennet is convalescent, and will soon be able again to resume his important work.

On February 13th the Rev. J. A. McFarlane, M.A., called at the college on his way home from Princeton, where he had been studying. Since he has been compelled to resign his charge at Valleyfield, until the present time,
