

500,000 WOMEN USE THEM.

A FASHION WHICH HAD ITS ORIGIN IN A NECESSITY.

WHICH HAS MADE LIFE ENDURABLE FOR HALF A MILLION WOMEN AND BROUGHT HAPPINESS TO MANY HOMES.

A society editor estimates that there are over half a million women in the United States and Canada who are using Mrs. Harriet Hubbard Ayer's Recamier Preparations, and for the benefit of our lady readers we give a brief description of these preparations. What they will do for those who use them, and how many there are of them.

The Recamier preparations are as follows: Recamier Cream, Recamier Balm, Recamier Lotion, Recamier Powder and Recamier Soap.

Recamier Cream (which is made both with and without glycerine) will remove tan and sunburn, pimples, blackheads, red spots or blotches, and all those imperfections of the skin which to a dainty woman are constant sources of misery and mortification, and to a man's imagination the outward signs of uncleanness. The cream is not a cosmetic, but simply an emollient to be applied at night and washed off in the morning.

Mme. Patti writes: "I must repeat once more my belief there never has been anything equal in merit to the Recamier Preparations, my skin is so immensely improved by their use. It has grown so smooth and so fair that I need not dread old age while these magic inventions of yours exist."

Recamier Balm is a beautifier pure and simple. It is not a whitewash, it is not a varnishy liquid which marks you "kalsomined" as distinctly, even at several yards distance, as though the letters were branded across your brow. It is absolutely imperceptible, except in the delicate freshness and youthfulness which it imparts to the skin. Unlike most liquids, Recamier balm is exceedingly beneficial to the complexion, and would restore its texture and colour even though it were used

at night and removed in the morning, as the Cream should be.

Recamier Lotion, which has in it a proportion of the Almond meal so much talked of, called, through its wonderful success in removing freckles and moth patches, "Moth and Freckle Lotion," is perhaps the most marvellous in its results, of any of the articles known as "Recamiers." It will remove freckles and moth patches, is soothing and efficacious in any irritation of the cuticle, and is the most delightful of washes for removing the dust from the face after an hour spent in the streets or travelling. It is a most desirable substitute for the Cologne and Waters which many ladies use for want of something better.

Recamier Powder is in three shades—white, flesh and cream. It is the finest powder ever manufactured; the bolting cloth through which it is sifted is made of such finely woven silk that no other powder, French or American, will go through it. It is guaranteed free from bismuth, lead or arsenic, and should be used as well in the nursery as for the toilet of older persons. It is a delightful powder for gentlemen after shaving, and has the great advantage of staying on, and will not make the face shine.

Recamier Soap is a perfectly pure soap, containing the healing ingredients found in the Recamier Cream and Lotion. Mme. Patti, since the introduction of the Recamier Soap, has discarded all others; she says: "Recamier Soap is perfect. I thought other soaps good, but I had never tried the Recamier. I shall never use any other. It far surpasses all toilet soaps."

The Recamier Toilet Preparations are positively free from all injurious ingredients, and contain neither Lead, Bismuth, nor Arsenic, as attested to after a searching analysis by such eminent scientists as

TORONTO BASE-BALL NINE

probably will not accept Ottawa's challenge, as Mr. Gillett, of Toronto, the manufacturer of Imperial Cream Tartar Baking Powder, is very short of help, and thinks playing ball a waste of time when they could get work. Imperial is sold by all grocers and is the best.

Wonder and Satisfaction

will be your experience when you first try Pearlinc. You'll wonder at its miraculous cleansing—time—labor-saving properties. Wonder why you had not discovered the truth before. You'll be satisfied that all the good things you have read or heard of Pearlinc are true—if you've heard bad, you'll be satisfied 'twas false. There's hundreds of uses for Pearlinc: beside the laundry and house-cleaning—for washing dishes, china, glassware, silver, straw hats, felt hats, bead trimmings, marble, bronzes, oil paintings,

carpets; in fact, everything in the house, from top to bottom—all that's washable—will be far more satisfactory because of the liberal use of Pearlinc. It is harmless.

Beware

Peddlers and some unscrupulous grocers are offering imitations which they claim to be Pearlinc, or "the same as Pearlinc." IT'S FALSE—they are not, and besides are dangerous. Pearlinc is manufactured only by JAMES PYLE, New York.

The Public Want

Their seed fresh and true.

Would they not be most likely to obtain such by buying directly from the grower? I can buy seed at half what it costs me to raise it, but could not sleep sound should I want seed of this class. For the same reason I make special effort to procure seed stock directly from their originators. You will find in my new seed catalogue for 1890 (sent free) the usual extensive collection with the prices of some kinds lower than last season, and a few really new vegetables of good promise. You should be able to get from me, their introducer, good seed of Cory Corn, Miller Melon, Hubbard Squash, All Seasons and Deep Head Cabbages and many other valuable vegetables, which I have introduced.
