PIPANS
ONE GIVES RELIEF.
NO MATTER WHAT'S THE MATTER
ONE OF THEM WILL DO YOU GOOD.
Rev. Frederick R. Marvin, long-time pastor of the First Congregational Church, of Great Barrington, Mass., and at one time a practicing physician, a graduate of the College of Physicians and Surgeons, New York, says of Pipans Tablets: "The formula has long been in favor with medical men, and the method of preparation in the present form is modern and a great convenience. I always keep a vial of the Tablets upon my dressing table, and use them with confidence whenever occasion arises. For a disturbed condition of the digestive organs I know of nothing so good, and for an 'all round' family remedy I do not believe there is anything better to be had."

HEALTH AND HOUSEHOLD HINTS.

Stuffed Apples.—Select as many apples as required, being careful to have them of the same size. With a long, slim knife take out the core. Prepare a filling of grated bread crumbs, a small lump of butter, sugar to taste and a little cinnamon or nutmeg. Rub all well together, fill the hollow in the apples with it, set them in a hot oven and let them bake until done.

Watermelon Preserve.—Pare off the rind and cut the flesh in pieces two inches square. Weigh. Throw into cold water, then drain and to two gallons of watermelon add a heaping tablespoonful each of salt and powdered alum. Let stand until all is dissolved. Place in preserving kettle, cover with water, press down with a plate to keep it under water and cook until easily pierced with a fork. Drain in fresh water and cook in syrup prepared in the following manner: Bruise and tie in a muslin bag four ounces of ginger root; boil in one quart or more of water. Boil also three or four lemons in a small quantity of water. Take the water from the ginger and lemons, add enough sugar to make a rich syrup and put in the watermelon with slices of lemon. Cook from thirty to forty minutes.

For Canning Pears.—To every three pounds of fruit allow one and one-half pounds of sugar and a half pint of water. Peel the pears and lay them in cold water to keep them from turning dark before they are wanted. When the syrup is boiling put the pears in and cook until they look clear or a fork can be stuck into them easily. Have the jars standing in a pan of hot water and carefully fill them with the fruit. Pour the hot syrup over them, filling the jars to the top. Cover and seal.

It's Pure and Sure; they also like
PURE GOLD FLAVORING EXTRACTS

In making brandy pears Bartlett's are the only variety that will give entire satisfaction when brandied, as they have a more decided flavor than any other. Select firm but ripe pears, peel, and boil in a weak syrup until they can be pierced with a straw. Take the fruit out, drain, and put in jars. Have ready a rich, hot syrup made with three pounds of sugar and a half pint of water and fill the jars containing the fruit with equal parts of the syrup and white brandy. Cover immediately.

Ginger pears are a delicious sweet-meat. Use a hard pear, peel, core, and cut the fruit into very thin slices. For eight pounds of fruit after it has been sliced use the same quantity of sugar, the juice of four lemons, one pint of water, and half a pound of ginger root, sliced thin. Cut the lemon rinds into as long thin strips as possible. Place all together in a preserving kettle and boil slowly for an hour.

Spiced pears are an excellent relish. To make them, place in a porcelain kettle four pounds of sugar, one quart of vinegar, one ounce of stick cinnamon, and half an ounce of cloves. When this comes to a boil add to it eight pounds of pears that have been peeled, and cook until tender. Skim out the fruit and put in glass jars. Boil the syrup until thick and pour it over them. Apples may be used in the same manner.

Pickled pears are made thus: Boil together three pounds of sugar, three pints of vinegar, and an ounce of stick cinnamon. Use seven pounds of sound pears, wash and stick three or four cloves in each pear and put them in the hot syrup and cook slowly twenty-five minutes. Turn them into a stonejar with the syrup, and cover. The following day pour off the liquid and heat and turn over the fruit again. It may require heating the second time.

WONDERFUL are the cures by Hood's Sarsaparilla, and yet they are simple and natural. Hood's Sarsaparilla makes **PURE BLOOD.**

An old-fashioned way of getting there. Slow and safe, but hard work. Most women have not beyond this kind of traveling—found something better. Now, why can't you look at that other old-fashioned proceeding in the same light—washing things with soap and hard rubbing. That's slow enough and tiresome enough, everybody knows, and it's not as safe as washing with Pearl-ine. It's really destructive, in fact, the wear of that constant rubbing. Break away from these antiquated ideas. Use modern methods. Pearl-ine saves at every point. ^{45c.}
