PUBLISHERS' NOTE.—The Americanisms in pronunciation throughout the edition of ORTHOËPIST used last year were objected to by Canadian educationists, and have all been eliminated in the present edition, and every word in the book made to conform to the latest STANDARD ENGLISH AUTHORITIES, viz.: The IMPERIAL DICTIONARY and STORMONTH. A chapter has been added on Elocution that gives the essentials for Teachers' Examinations, and saves the price of an extra book on this subject, and a chapter added to VERBALIST saves the price of an extra work on English Literature.
