- CARPETS

With all the rage for cheapness the demand is growing for the better article. Time is a certain tester of fads and fallacies. In the production of Axminster and Wilton Carpets we've something that'll stand the test of time. A taking feature, too, is the rich deep coloring of these carpets—a coloring that wears, whether the carpet be in drawing-room, parlor, or dining-room. We may give you the hint that these rich, deep colorings are rapidly becoming the fashionable vogue.

A new feature of Wiltons
in a Gothic pattern in all
new self-colors.

Ask to see a line of these
Carpets with handsome
Stair Carpets to match.

Why not try WYETH'S MALT EXTRACT?

Doctors highly recommend it to those

Who are run down;
Who have lost appetite;
Who have difficulty after eating;
Who suffer from nervous exhaustion;
And to Nursing Mothers,
as it increases quantity and
improves quality of milk.
