

A MAN'S LIFE SAVED

I WOULD not be doing justice to the afflicted if I withheld a statement of my experience with Jaundice, and how I was completely cured by using Northrop & Lyman's Vegetable Discovery. No one can tell what I suffered for nine weeks, one-third of which I was confined to my bed, with the best medical skill I could obtain in the city trying to remove my affliction, but without even giving me temporary relief. My body was so sore that it was painful for me to walk. I could not bear my clothes tight around me, my bowels only operated when taking purgative medicines, my appetite was gone, nothing would remain on my stomach, and my eyes and body were as yellow as a guinea. When I ventured on the street I was stared at or turned from with a repulsive feeling by the passers-by. The doctors said there was no cure for me. I made up my mind to die, as LIFE HAD LOST ALL ITS CHANCES. One day a friend called to see me and advised me to try Northrop & Lyman's Vegetable Discovery. I thought if the doctors could not cure me, what is the use of trying the Discovery, but after deliberating for a time I concluded to give it a trial, so I procured a bottle and commenced taking it three times a day. **JUST AT THE EXPIRATION OF THE THIRD DAY** to find my appetite returning. Despair gave place to Hope, and I persevered in following the directions and taking Hot Baths two or three times a week until I had used the fifth bottle. I then had no further need for

the medicine that had **SAVED MY LIFE**—that had restored me to health as I was radically cured. The natural color had replaced the dingy yellow, I could eat three meals a day, in fact the trouble was to get

enough to eat. When I commenced taking the Discovery my weight was only 132 lbs, when I finished the fifth bottle it was 172 lbs, or an increase of about half a pound per day, and I never felt better in my life. No one can tell how thankful I am for what this wonderful medicine has done for me. It has rooted

out of my system every vestige of the worst type of Jaundice, and I don't believe there is a case of Jaundice, Liver Complaint or Dyspepsia that it will not cure.

DONALD KENNEDY Of Roxbury, Mass., says

Don't write to me when taking the first bottle of my Medical Discovery. I know how it makes you feel, but it's all right. There are certain cases where the Discovery takes hold sharp, but it is the diseased spot in you it has taken hold of, and that's what you want. The Discovery has a search warrant for every humor, from backache to scrofula, inside and outside, and of course it makes a disturbance in your poor body, but the fight is short, you are better by the second bottle; if not, then tell me about it, and I will advise. I will, however, in the future, as in the past, answer any letter from a nursing mother.

Sincerely yours,
DONALD KENNEDY,
ROXBURY, MASS.
