

BACK NUMBERS.

I have disposed of

THE PERFORATOR

which will continue to be a handsome philatelic monthly; probably handsomer than before. It will be edited by a lady of intelligence, and the writer will be one of the staff.

A few complete files

of Vol. I may be obtained at 65c., with Vol. II. No. 1. thrown in. I cannot supply single numbers 6 or 12 at any price. Nos 1, 2, 3, 4 of Vol I are 5c each. All others, except Nos. 6 and 12, 10c each.

You really need No. 2 (March 1898) of Vol 2 to commence the present volume. Address
