A Case of Partial Placenta Prævia	103	Bismuth in Uterine Diseases	55
A case of Complete Rupture of the Peri- nium. By E. M. Hodder, M.D., F. R. C. S., Eng	1	Body Preserved by Carbolic Acid	61
A Case of Poisoning by Stramonium and novel way resorted to, to produce Vomiting	44	Books Received	141
A Clerical Surgeon	102	Braithwaite on a case of Gastric Neu- ralgia	43
Acupressure at the New York Hospital	261	Bread Making	181
Adenoid Tumor of the Breast	151	Brisk Trade in Doctors	200
A Good Move	123	Bromide of Potassium	3
A Grateful Patient	19	Bromide of Potassium in Dysmenorrhœa	100
Aims of Modern Medicine	231	Bromide of Potassium in Whooping Cough	81
Alumni Association, Victoria College	154	Brown Sequard	120
Amenorrhœa	71	C	
American Medical Association	189, 208	Canada Life Assurance Co.	141
A Modification of Cosco's Speculum	70	Canada Medical Journal	72
Amputation of Right Arm at shoulder joint and Excision of Scapula	60	Canada Medical Association	228
Amputation of Thigh, separation of Bone through Epiphysis	56	Canadian Institute Closing Meeting	192
A New Anodyne	80	Canadian Institute Medical Section	88
A New Effect of Chloroform	122	Canniff on Belladonna	142
A New Styptic	80	Carbolated Glycerine	60
A New Test for Blood Stains	81	Carbolic Acid	3
Aneurisma of Splenic Artery	200	Carbolic Acid in Corneal Affections	196
Animal Quinoidine	81	Carbolic Acid in Medicine and Surgery	163
Another Death from Chloroform	177	Carbolic Acid in Surgery, by W. M. Mussey	175
Another Medical Collège in Philadelphia	200	Caries, with Abscess, by Professor N. S. Davis	151
Antidote for Carbolic Acid	102	Case of Cutaneous Horn of the Eyelid	140
Antiseptic Surgery	120	Case of Dysentery	217
Antiseptic Clot Bey	109	Case of Early Pregnancy	82
Archives of Ophthalmology and Otology	141	Case of James Keough	91
Arsenious Acid in Gastric Neuralgia	43	Case of Petrification	202
Atomizers, Codman and Shurtleff	153	Cases of Snake Bite treated by Halford's Method	202
Atropine an Antidote to Prussic Acid	101	Cases of supposed Hermaphrodites	47
Attendance of Medical Officers at Hos- pitals	120	Cases in Medical Jurisprudence	5
A Valuable Tonic	154	Cases in which Bougies were broken in the Urethra	7
		Catheterization of Air-Passages in As- phyxia Neonatorum	61
		Cerebral Softening	196
		Character of Wound inflicted by Chasse- pot Rifle	40
		Chicago Medical Society	195
		Chlorodyne	101
		Chloroform	63, 84
		Clinical Advantages of New York	120
		Clinical Lectures	9
		Clinic, Prof. Gross	150
		Clinical Records of the Paris Hospitals	18
		Clinical Remarks	97
		Clinical Society of London	112
		Code of Ethics	50
		Codeia in Whooping Cough	122
		Codfish Bone extracted from Peritoneal Cavity	177
		Commencement of Medical Colleges	78
		Communications	142
		Complicated case of Stone in the Bladder	187
		Compound Fracture of Cranium	83
		Compound Dislocation of Elbow Joint	125
		Compound Fracture of left Tibia	175
		Consolidation following Pneumonia	216
		Contributor's Notice	16
		Contusion of Hand	178
		Correction	210
		Correspondence	73
		Cotton Plant—Gossypium	98
		Cure for Snake Bites	221
		Curious Experiment	81
		D	
		Dalton on Trichina	167
		Death from Chloroform	202, 176
		Death from Gonorrhœa	180
		Death from Hypodermic Injection	101
		Death of Celebrities	122
		Death of Dr. Orton	162
		Death of Robley Dunglison	182
		Death of T. S. Parker	32
		Dental Profession, Prov. Quebec	260
		Detached Placenta—Death of child and mother	71
		Detroit Medical College	82
		Dewar on Placenta Prævia	168
		Diabetes	112
