RAPHAEL TUCK & SONS COMPANY'S
WONDERFUL VARIETY OF

Gift Books, Colored Juveniles, Booklets, Calendars,
Toy Books, Art Prints, Etc.

A STUPENDOUS LINE OF THE HIGHEST POSSIBLE ARTISTIC ORDER.

Last year's sales exceeded our most sanguine expectation, and from the nature of the line submitted to us for the coming season, we anticipate still larger results.

The superiority of Raphael Tuck & Sons' goods is evidenced by increased appreciation.

We need not describe the goods: samples are ready for inspection, through our travelers who are now on the road.

Please reserve orders till you see them.
