HAMILTON, ONT.

HOW often have you been deceived by misrepresentations, something else "just as good" at half price? So say some of our worthy (?) competitors.

We say there is nothing so **ELITE** as ours, and something much **BETTER** than theirs **ALL THE TIME** at **REASONABLE** prices.

The merits of our goods are above all others and we protect you as manufacturers for the trade only.

"Our Line" Typewriter Ribbons and Carbon Papers truly distinctive.
