WILLIAM HAWKER

The originator of Hawker's popular remedies, was born in England. He came to this country in January, 1862, in charge of the hospitals and sick of the troops, having been promoted to that position after a careful and most thorough training under some of the most eminent surgeons in the British service. In 1864 he left the service and entered into the drug business. Owing to the great number who came to him for advice, he determined to put up the various remedies, which are now manufactured by The Hawker Medicine Co. These remedies are familiar to the readers of THE CHRISTIAN, many of whom can testify to their remarkable virtues. The following remedies now manufactured by The Company can be obtained from all druggists and dealers.

Hawker's Nerve and Stomach Tonic,
The Great Nerve Invigorator, Blood Builder and Appetizer.

Hawker's Tolu and Cherry Balsam,
A popular remedy for Coughs which has made marvellous cures in many hopeless cases.

Hawker's Liver Pills,
A certain cure for Sick Headache, Sour Stomach and all Bilious Disorders, contain no mercury, and

Dr. Manning's German Remedy,
A certain cure for Rheumatism and Neuralgia.
