# A RUN of LUCK

ONE HUNDRED THOUSAND American teachers are talking about "The New Idea." We knew that these books would take, but our most sanguine expectations failed to measure the success which has attended their publication. A New England agent took 30 orders in an hour. The teachers of an Illinois town saw a copy on their superintendent's desk, and 15 of them left their orders in as many minutes. A stray copy of our October manual reached a Southern city, and in four days we had orders from that city for over 200 copies. We could fill this paper with similar instances and with testimonials. So eager are teachers to make use of these books at once in their classes, that orders by special delivery letter and by telegraph reach us daily. In the publication of these TEACHERS' HELP MANUALS we have struck out into an entirely new field. The books are so novel and practical, and altogether so different from ordinary text-books, that they cannot help but sell. The cover has been pronounced by Boston publishers, more beautiful than that of any other monthly publication in America. Compared with the value of the books, the price is almost nothing, and those who receive nine books for One Dollar will never receive better value for the same money.

A NEW BOOK IS ISSUED ON THE FIRST DAY OF EACH MONTH. The September manual—a Practical Grammar—contains over 500 common-sense exercises presenting work of an entirely new character for all grades. The October manual—a complete text-book on Correspondence—is alone worth the yearly subscription price. The November number is a Practical Mensuration for schools and colleges (ready Nov. 1). The December, January, and February numbers will be ready early. Don't miss them. All back numbers can be supplied. Sample pages free.

PRICES: For the paper edition the yearly subscription price is \$1.50; single copies, 25c. The cloth edition, by the year, is \$3.00; and in single numbers, 50c. each. Nine numbers make a year.

SHORT TIME SPECIAL OFFER. We want you to see these books. We are sure they will please you. The \$1.50 rate is really rock bottom, but to help you to get started we make this offer: Get two teachers to subscribe with you—three in all—and we will accept your subscriptions for one year at One Dollar each. This is a special offer for a short time. Valuable premiums for large clubs. Send in your order without delay.
