GRATEFUL COMFORTING EPPS'S COCOA. BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

"One of the most perfect instruments for sound instruction concerning the Church that has been offered to Churchmen. The whole temper of the book is courteous, kindly and humble. This book ought to be in the hands of every Churchman. Of all books upon this important subject it is the most readable. It is popular and attractive in style, in the best sense. We commend it most heartily to every Clergyman for personal help and parochial use. We would, if we could, place a copy in the hands of every member of the English-speaking race. And we are assured, that once begun, it will be read with interest from preface to conclusion. No better text book could be found for a class of adults, who desire to give a reason for their faith, and be Churchmen in reality.—Church Record.
