

PARAGRAPHIC.

Ornamental leaded beveled glass is fast superseding the old style of dark colored glass for dwellings. Such work enhances the appearance of a building. McCausland & Son, 68 King St. W., Toronto, produce the most varied and beautiful designs in this class of work and at graded prices. The finest examples of art stained glass that are to be seen in the principal dwellings and public buildings throughout Canada are from this identical establishment.

The cleric chooses to walk off to the extreme edge of the world and to throw such seed as he has clear over into that darkness which he calls the next life. As if next did not mean nearest, and as if any were nearer than that immediately present one which boils and eddies all around him. Who taught him to exhort men to prepare for eternity and for some future of which the present forms no integral part. The furrow which Time is even now turning runs through the overlasting and in that must he plant or nowhere.

K. D. C. Pills the best laxative for children.

Our men of science cross the Atlantic to take observations, say of an eclipse, which they are sure will begin to be visible at a certain place, at a given hour, at a given minute, because long observation has taught them that the Almighty Creator never fails to keep His appointments exactly. Indeed, so exact is He that they themselves sometimes would seem to fail to remember that He works or lives at all.—*Canon Liddon.*
