## THE CANADA PERMANENT AND WESTERN CANADA MORTGAGE CORPORATION TORONTO ST., TORONTO

**T**HE haste to get rich often leads many a person who has money to invest to speculate in bonds and stocks ground out by speculators during good times when everything is on the boom, and which, when times are hard and the investor is most likely to need his money, must be sold at a great loss. We would advise you not to speculate with this class of stock, but to invest your money in the Debentures of The Standard Loan Company, which bear interest at the rate of five per cent. per annum, payable half yearly; interest coupons are attached to debenture made payable to bearer. . . . .
