together for the 10th inst.—For twenty years or more, F. Briere has been quite a prominent figure in the business community at Lake Weedon, Que., but as a money-maker he has not been a success. As long ago as 1884 he became insolvent, and now he is reported as having assigned.

## RAILWAY DEPUTATIONS.

Editor MONETARY TIMES:

DEAR SIR,—Allow me to call your attention to an editorial paragraph in the last issue of "The Monetary Times," with relation to the deputations from Toronto which recently waited upon the Government. The writer of this article goes on to say "that some of the speakers mixed up other questions with these proposed roads, etc." I take the liberty of thinking that he must be mistaken, for I was present during the interviews, and there was certainly no mixing-up in the matter, and they were entirely distinct. The James' Bay Railway deputation, headed by the Mayor and Mr. McMurrich, had their interview, and when the same was concluded, the Toronto Board of Trade was introduced by its president, Mr. A. E. Kemp, who, during the conference called upon the Mayor to say a few words on the subject of the proposed Toronto & Georgian Bay Short Line—but there was no mixing-up of the subjects whatever.

Yours very truly,

EDGAR A. WILLS,  
Secretary.The Board of Trade,  
Toronto, June 26th, 1899.
