640 pages 8vo., beautifully printed on superfine paper.—
Price \$2.00 in bevelled cloth, \$3.00 in elegant half calf, or \$4.00
in antique morocco, gilt edges.

THE first Edition of this History, published in 1857, was received most favorably by the Canada Press and Public, and immediately sold. The entire work has now been carefully revised, a large portion relating to the Province of Ontario re-written, and about one hundred pages of entirely new matter added, continuing the narrative in the fullest and most complete manner from 1850 to 1867, an exceedingly interesting and important period in the Constitutional History of this country. The Author has had access to the most authentic sources of information, and has spared no pains to make his history a valuable book of reference to the public man, as well as a reliable and pleasant source of information to all those who desire to acquaint themselves with the annals of this Dominion. The last chapter gives full details of the social condition of the Canadian people at the present time, as well as of the progress of this country in population, trade and commerce, education, &c., from the earliest period to the date of the latest government statistical returns. This work supplies the only full and complete history of the Province of Ontario, from its first settlement in 1784, in existence, while no event of any importance is omitted in the history of the Province of Quebec.
