House Furnishings par Excellence

MANY a bride has cherished secret sentiments as to the furnishing of her own home, planning to have certain woods in this room, certain styles, certain colour schemes, giving its room its own individuality, but making the entire house express the modern tendency in home making

If there is one place more than another that the little bride can obtain entire satisfaction, that place is here; for everything that is modern, everything that is solid and substantial, everything that represents the foundation of a cosy, attractive, well regulated home is here, and to add to the desirability of our stock, our Monthly Payment System offers a convenient, self-respecting form of modern finance. It is the boon of the salaried home-maker.
