### In Appointing Your Executor—

Let us suggest that you write or ask for YOUR copy of our recently-published brochure on WILLS. It will interest you and give you conclusive reasons also for the appointment of a corporate instead of an individual Executor and Trustee.

Ask at the same time for YOUR copy of farm land listings. These are assets arising out of estates in process of being wound up and where it is necessary to realize. Prices and terms moderate.

Damage of four-tenths of one per cent. was all that was sustained by the trial shipment of wheat grown in Western Alberta and shipped from Vancouver to England via the Panama Canal, according to the report of Mr. F. J. Bichard, chemist in charge, and Mr. A. W. Alcock, his assistant, which has reached the Vancouver Board of Trade. The chemists state that the success of the experiment justifies further trials.
